HOROSCOPES

ARIES - Mar 21/Apr 20
Aries, people cannot fathom why you are focusing in on the most trivial of details. It's because you simply do not know how to spend your time another way.

TAURUS - Apr 21/May 21
Stay positive through the rough week ahead, Taurus. Focus on the blessings in your life when you are faced with dark moments. It'll give you strength.

GEMINI - May 22/Jun 21
There is a flaw in a plan that you must bring to light, Gemini. Speak up now before others get involved and it becomes too late. Romance is put on hold.

CANCER - Jun 22/Jul 22
Cancer, push yourself even further this week and you'll soon find that the boundaries you've set up for yourself can be broken through. Listen provides inspiration on Tuesday.

LEO - Jul 23/Aug 23
You have a knack for getting your opinions heard, Leo. When a situation arises at work, this is exactly what you must do – speak up and help solve the problem.

VIRGO - Aug 24/Sep 22
Indulge yourself in whatever makes you happy, Virgo. It is not so often that you will have free reign to live out fantasies or desires, so don't waste any time.

LIBRA - Sep 23/Oct 23
Libra, others are finding that there is more substance behind your exterior than once thought. However, you know it all along. Keep your wits about you, though.

SCORPIO - Oct 24/Nov 22
Scorpio, instead of keeping things all bottled up and secretive, put yourself out there instead. You just may find that others will warm up to you much more.

SAGITTARIUS - Nov 23/Dec 21
This week you are very persuasive, Sagittarius, so use it to your best advantage for mediating a family confrontation. It's best to leave financial matters hanging, though.

CAPRICORN - Dec 22/Jan 20
You will have to concentrate on the details of the plan you've set out to accomplish, Capricorn. It's good to look at the big picture, but this time you have to work out all the nuances.

AQUARIUS - Jan 21/Feb 18
Aquarius, this week won't be stellar in terms of your behavior However, you can redeem yourself relatively quickly in the next few weeks.

PISCES - Feb 19/Mar 20
Have fun with all of the activities that fill up your days, Pisces. This week work won't seem so much like work.
