- CAST IRON CYLINDER
- 20 GALLON
- OIL LUBRICATED FOR PROFESSIONAL USE
- 1.5 HP
- 115 VOLT ELECTRIC MOTOR

\$169.99

PNEUMATIC FRAMING NAILER

\$99.99

Equipped with single cycle/contact trip trigger, rubber comfort grip, removable decking tip.

Adjustable exhaust, depth control, removable non-marring tip, serrated metal nose.

Kit allows user to easily change the direction of exhaust and control the depth of drive in various types of wood and engineered lumber.

The removable non-marring tip is used to protect finished wood surfaces such as decks and fencing. Nailer is equipped with serrated metal nose for aggressive nail driving.

While it can be used on all porous foam, Touch 'n Foam Window and Door Sealant is specially formulated for use around windows and door frames. This revolutionary expanding polyurethane foam is designed to seal and insulate without covering pressure that can be detrimental to window or door frame stability.

\$4.99

TNFD

Touch 'n Foam Minimal Expanding Sealant is an all purpose foam that can be used for both indoor and outdoor applications. This foam will not crust or crack as much as the rigid expanding formula, so it's better suited for window cracks and vaults. It is 98% polyurethane, electrical and water-resistant to prevent air leakage to prevent energy loss.
