Nicholas Fiscal Court members ponder West End Park lease

A September letter from Lions Club Director Brent Gaunce to the members of the Nicholas County Fiscal Court began a domino-tumbling effect...

Because of this, we are unfortunately unable to maintain the horse show ring located at the West End Park; this task is a part of our lease of said property from the fiscal court.

"Thank you for your kind attention to this matter. The Nicholas County Lions Club is appreciative of your offer of cooperative effort with the fiscal court. Many thanks."

The court leased the horse ring to the Nicholas County Fair Board in 1984 for a period of 50 years at a cost of one dollar per year, according to Letcher's report.

Magistrates questioned if the original Fair Board was the same entity as the existing fair board, however Letcher could not say definitely without further research...

"We need to continue investigating," Nicholas County Judge-Executive Larry Tinsler said after hearing a report from Nicholas County Attorney Dawn Letcher...

"When you work with Mr. Gaunce's letter, concerns the lease of the West End Park property."

"As you may know, the Nicholas County chapter of Lions Club International has had to disband after many years of devoted service to our county," the letter said...
