Wedco to present programs

On December 11, 5:30 p.m. at the Cynthiana Christian Church, the Wedco District Health Department will be presenting a program entitled, "Get Healthy Harrison County." The featured speaker will be Mitchell Tolle, Sr. Mitchell is an award-winning artist with an art studio and art gallery in Berea, Kentucky.

He will be sharing many of his humorous and inspiring stories of growing up poor in Kentucky and achieving his dreams. He will be motivating us to improve our health. Mitchell has been featured on the KET program, "Kentucky Life". One of his most important paintings was a specially commissioned painting of former President Jimmy Carter.

There will be other subjects such as being at risk for diabetes, healthy eating tips, and physical activity with instructions on using the Dyna-Bands. Dyna-Bands, pedometers, and tote bags along with a chili supper will all be provided free. Come out and hear a wonderful speaker and let us al "Get Healthy Harrison County". Please contact the Wedco District Health Department and the Good Samaritan Foundation Grant sponsor this event.
