Many people enjoyed watching Alaska Whitaker Pace from Cynthiana, Kentucky (now of New York) on the T.V. program 'Deal or No Deal' on Wednesday and Friday nights. She did well on the program. She is the great niece of Andy Fryman.

The 130 p.m. service on Sunday at the Johnson-Mathers Health Care was led by Diane Barbee. Special singers were 'Soldiers of Christ', they are Johnny Stapp, Steve Allen and Bill Whalen. There were usually 25 or more residents attending and they love to hear and sing the old songs.

Remember Your Recare
The importance of regular examinations

Taking good care of your teeth and gums should be a habit. Make it so every one of our patients for a check-up at least once every three to six months. We refer to your checkup visit as a recare appointment. A recare dental visit can take up to an hour. Your checkup will normally include a complete cleaning, a fluoride treatment, any required radiographs and a comprehensive dental examination for cavities or other problems.

Tooth Tips

- Brush after every meal or at least twice a day
Use a fluoride toothpaste
Use brushes with soft nylon bristles and a flat surface
Replace your brush about every three months
Use a mouthguard if you play contact sports
Floss every day
See your dentist regularly!

Everyone deserves a healthy smile.
