Aries, you have a lot of pent-up frus-tration, but do not take it out on those who care for you. There is a lot of Throw caution to the wrm and bark on an adventure this week, Taurus. Obligations will wait; this is your time to recharge and enjoy the scenery for a change. GEMINI - May 22/Jun 21 There's no problem you can't handle. Gernini, if you are thinking clearly Focus solely on the task at hand and push other thoughts aside. Strange

VIRGO - Aug 24/Sep 22

The things that once interested you no longer hold the same level of attraction, Virgo. It's probably because you are growing older, wiser and for a change, so bidey your time for more independent. LIBRA - Sep 23/Oct 23

Aquarius plays a key role. SCORPIO - Oct 24/Nov 22 Scorpio, if you are at a crossroads, take the path that seems the bumplest. You thrive on challenges and you can put your problem-solity or stills to Control, round addition 22

Control, rounder decisions are at flavored to the state of the state

A funny quote: Famed quarterback Joe Theisman said he wasn't a football genius should only apply to people 'fike Norman Einstein.' Hey Joe, it's okay, you're a football player—not president. Just don't run for office (like a certain baseball pitcher we know). Dale Greer is a mem-ber of the faculty at Morehead State Univer-sity. He has an expansive background in media in-cluding award winning reporting and stints as a major television anchor.
