Bluegrass Beacon

Give 'NCLB' an 'F'

When President George W. Bush signed into law the "No Child Left Behind" act...

could include government running public schools. I don't buy it.

The well educating of their children is so much the duty and concern of parents...

invaders. The Constitution clearly states it must. Certainly if the founders wanted government micro-managing public education...

requests for the education bureaucracy increased more than 70 percent between 2002 and 2005.

Jim Waters is the director of policy and communications for the Bluegrass Institute...

VELOZ Continued From Page 4 cause she delivered him at the same hospital where I had the twins...

to all these trees where the dates are being grown. At this point in the season, the trees have dresses on them over the dates...

It was very good. We then went home and just visited. It was so nice to relax and visit with each other.

NCHS BAND - STATE FINALIST Band claims third at state

It all started on July 16, 2007. The first day of band camp. Hot temperatures, hot pavement and one hot judge will do."

The Nicholas County High School band completed its award-winning season on Saturday night, Oct. 20, just as it planned, under the lights of Papa John's Stadium...

At 1:15 pm NCHS Band took the field for what would prove to be a spectacular performance.

Each goal they would reach for all season. Some bands had 60 winds and some bands had three field commanders...

Some of those bands had hundreds of members. Some had 20 guard members alone, not to mention the rest of the members of the group...

This year's members included: Kriston Doyle, field commander, Brittany Ritchie and Shelby Tyree, flutes, Keley Yazel, Hannah Boykin, and Ryder Bray, clarinet...

Congratulations to the NCHS Marching Band On the Impressive Third Place Finish At the State Band Competition Greg Reid and Members of the Nicholas County Board of Education

LETTERS TO THE EDITOR

Dear Editor, As a first year band parent, I wanted to express my opinion of this year's experience...

to all these trees where the dates are being grown. At this point in the season, the trees have dresses on them over the dates...
