Courthouse Square Arts Guild

By Regina Barnes

A warm autumn welcome from the members of the Courthouse Square Arts Guild. We have had a fun summer and fall with different exhibits that the whole family have enjoyed and hopefully will continue to do so.

This summer guild members as well as some," first time in their life artist," picked up the paint brushes and went to work creating the wonderful banners that you see in Carlisle. The Banner Project has made a significant impact on our community and surrounding areas. People came together through art to make a positive impact in our community.

Saturday in Carlisle was a fun time on the Courthouse lawn. Many crafters and artist showed their arts, and the food was great! You tapped your toe with the sound of the music and hummed along with the old gospel tunes. And of course you would not have wanted to miss the petting of the animals or climbing the wall on Main Street! A very high wall!

Of course the guild was there in full force. We were in the middle of the street with all the young artist of the area that participate in the Street Art Contest.

The Member Art Show was in full swing at the Historical Neal Building for everyone to enjoy. The art was wonderful.

We are fortunate to have so many talented artists in this area. The work ranged from painting, sculpture, photography and textiles. Whether you enjoy oil painting or fossil art, there was something for everyone to enjoy. Hopefully you picked out your favorite; it was sure difficult for me.

However, the judges jumped in there and did their job with great difficulty and picked the winners of this hears show. Here are the winners of the show. 1st prize went to Jessica Hamilton's " Cycle of Contamination", 2nd prize Kathy Johnson's "The Gatherers", 3rd prize Madonna Courtney's "Morning Fog", and Honorable Mention went to Kathy Mach's "Evening Tide."

The People's Choice Award went to Juanita Hunt's "Blue Water Fall". I'm sure glad I didn't have the job of judging because every piece of art that was exhibited was a winner. Congratulations to the entire artist and thanks to all the people that supported us and worked so hard to make it a huge success. Also a big thumbs up to the Carlisle Mercury that did a great job covering the show.

More fun things are coming up in the area so keep a watching your newspaper for listings. Blue Licks State Resort Park is having a "Haunted Trail" for you to take the kids and get a good scare. Also the "Old Jail" turns into a scary place to visit this month. Be sure to check out the pumpkin patches and the corn mazes with your family.

There are some good books out for you to enjoy by Kentuck artists, one by a writer in our community, Charles Mattox, "The Land of Whispered Sorrows."

Another really scary read by Ky. authors /William Lynwood Montell, "Haunted Houses and Family Ghost of Kentucky."

As the cool days of autumn come rushing in, take the time to enjoy the different events that are in the area. Read a novel, watch a movie and listen to music, but always remember,"ART IS NOT A THING, IT'S A WAY."

TRIVIA; In the 1940s the host of this radio program welcomed you through the squeaking door for another half hour of horror. For over a decade it was the epitome of radio terror. What is the name this 30 minutes of TERROR?

(2) The creaking door is still recognized as one of the most famous sound effects in radio. Who was the two hosts' between 1941-1949 for the 18 journeys into the macabre and terrifying? "Good Niii-ight...and pleasant dreeeammss!"

Thoughts from ... the Pastor's Study

By Bro. Julian Hammons
Retired United Methodist Minister

Luke 11: Reveals a most beautiful moment in the life of Jesus and His disciples "And is came to pass, that as he was praying in a certain place, when he ceased, one of his disciples said unto him, Lord teach us to pray, as John also taught his disciples"

In immediate response to the disciples' inquiry, Jesus gave them the instructions contain in Luke 11: (2-13). We recognize this as the "Lord's Prayer." Please take your Bible and read it and do so often.

When on reads through the New Testament it will be noted that Jesus taught much more about prayer. I don't intend to give an exhaustive revelation of all Jesus shared about prayer, but simply to amplify some things he taught about prayer, especially those thing related to unselfishness in prayer.

Jesus shares that there are times when we need be alone with God to pray for our need to serve God and others better!

Matthew 12: (22-23), (22) "And straightway Jesus constrained his disciples to get into a ship, and to go before him unto the other side, while he sent the multitude away. (23) And when he had sent the multitudes away, he went up into a mountain apart to pray: and when the evening was come, he was there alone." Please also read Matthew (6:6).

Was it selfish for Jesus to get away from multitude and pray alone? No!!! He needed to recover from spiritual exhaustion, gain new insight into God's plans, and gain renewed physical and spiritual strength for the task ahead. Without such times we become shallow in our service, superficial in our influence, and ultimately beaten down, discouraged and frustrated.

Further inquiry reveals that Jesus encouraged praying for the needs of others. Luke 11: (5-8) (5) "And he (Jesus) said unto them, which of you shall have a friend, and shall go unto him at midnight, and say unto him, friend lend me three loaves. (6) For a friend of mine in his journey is come to me, and I have nothing to set before him? "(7) And he from within shall answer and say, trouble me not: the door is now shut, and my children are with me in bed; I cannot rise and give thee. (8) I say unto you, though he will not rise and give him, because he is his friend, yet because of his importunity he will rise and give him as many as he needth."

These words from Jesus are an example of persistent asking or demanding prayer. The one who asked, asked not that his needs be met, but that his friends needs be met. The need of another has made him feel the poverty of his own life. Jesus taught that even when we pray solitarily, we pray "our" Father, "our" daily bread, "our" debtors. We must see ourselves not simply as a separate thread, but as an inseparable element in the closely woven fabric of human life. We have common needs, common perils and common tasks-so much so that when we pray we say "our".

Yes the "Lord's Prayer" teaches us much of Jesus' instructions about prayer. Space will not allow more insights th this article, but I will endeavor to share more in a future time. God Bless! And do attend the church of your choice.
