Jackets buzz Paris

By Hank Bond

hank@thecarlislemercury.com

The football game carried special meaning for Nicholas County Coach Robert Hopkins, his staff and players Friday night.

"Before I walked out of the house Friday afternoon I got a phone call from some former players that played for me and Coach Letcher from Iraq," Hopkins said. "They knew we played Paris and they just wanted to wish us well because that Paris game always means a lot to people.

"I told the kids that. It meant a lot to those kids. You could tell by the enthusiasm for the whole game."

Nicholas County took the opening kickoff at Ben H. Pumphrey Field, driving 80 yards in 14 plays to take a 7-0 lead and the Bluejackets never looked back in posting a 34-14 win over Paris, Friday in Carlisle.

Jonathan Mattox carried the ball 44 times for 277 and four touchdowns to lead the Jackets' offense, which amassed 369 total yards, while limiting Paris to 80 yards.

The first drive included runs of 16, 10, and nine by Mattox, plus an 18-yard completion from Jordan Mynear to Alex Florence to push the Jackets to a first and goal at the 10.

Michael Reid carried for two yards on first down, on second down Jeremiah Brown pushed the ball to the four yard line and on third down Mattox scored from the four and with 6:53 to play in the first quarter NCHS had taken a 6-0 lead.

Sophomore Ben Layne came on to boot the extra point out of the hold of Zach Lemons and the Jackets too the 7-0 advantage.

On the kickoff, Paris started at the Greyhounds 19, but on the first two plays Nicholas County defenders dropped junior running back Trion Thomas for losses of one and six yards and after an incompletion on third down the Greyhounds were forced to punt.

Nicholas County had only two plays, from scrimmage, fumbling the ball away and Paris was in business again at the Jackets' 39.

It took the Hounds only three plays, aided by a Bluejackets penalty, to score as Thomas went in from the one, but the Nicholas County defense stiffened and Mynear got a hand on the point after kick.

With 2:38 to play in the first quarter Nicholas County was holding a 7-6 advantage.

The Jackets took the kickoff and moved the ball 15 yards on the first two plays on runs by Mattox, but a holding penalty pushed Nicholas County back and on third down at the Nicholas 47 Paris picked off an interception.

Nicholas County got the ball back after a Paris punt and drove the ball behind the runs of Mattox, Reid and Brown before turning the ball over on downs at the Pairs 22.

The Greyhounds went four downs and out and the Jackets began a touchdown drive at the Paris 41.

As time was running out in the half, 43 seconds to go, Mynear found Reid at the Paris 20 on the way to the end zone and the duo accounted for Nicholas County's second touchdown of the night on the pass play. Layne again connected for the extra point and Nicholas County went to the locker room with a 14-6 lead.

In the second half Mattox carried in from the 12 with 3:43 to play in the third quarter and with Layne's kick it was 21-6.

Paris scored a touchdown on an 82 yard run and with a two-point conversion it was a 21-14 game.

The Jackets took the kickoff and drove from their own 10, 90 yards, capped by a three yard run by Mattox with 9:48 to go in the game. Layne's kick was no good, the only miss on the night, and NCHS took a commanding 27-14 lead.

Nicholas County held the Greyhounds on downs and took the ball from the Jackets' 48 to the end zone on an eight yard run with 1:56 to go in the game by Mattox and Layne's boot set the final score at 34-14.

Junior Jacob Frederick had five solo stops and two assists, while Logan White had four solos and an assist.

Brown, who on offense did lead blocking on many of Mattox's runs, also had three solo tackles and three assists, while Mattox finished with four solos and two assists.

Reid and Mynear each plucked down an interception while playing defense.

"I told you last week we'd have to go back to old style football. We did what we wanted to do," said Hopkins.

"We saw some weaknesses in their interior defense (Paris) and that's what we wanted to take advantage of. We still need some work on our offensive line, but we've improved."

Hopkins admitted he was going to let Mattox carry the ball until Paris was able to effectively and consistently defend against the run.

"I'm old school so you keep doing things until they stop you and they have to stop you consistently before you change," Hopkins said. "You just don't go away from it."

Against Paris, Hopkins said the run was working and Nicholas County was able to keep the ball out of the hands of Paris and that's how his offense continued.

"I was pleased with the passing game as well. The kids played so well.

"As long as they play hard and buy into what we're trying to do their jobs we'll have success.

"We have a long way to go."

NCHS is idle Friday night and will host Bourbon County, Sept. 28 for homecoming.
