Blood-sucking bad ideas resurface in rearsville mirror

Not even the arrest of '56-did-it' icon D.J. Simpson this week completely overshadowed Hillary Clinton's attempt to fly the nightmarish that Americans engaged the first time around...

But a closer look reveals that the "we're all in it together" society really means stealing hard-earned money from hard-working people in the form of higher taxes, massive increases in government spending and bloated bureaucracies.

STEVE'S Continued from Page 5 making it to the White House - I have a prediction: If she will probably have made some campaign promises along the way naming a timeline for when we will be out of Iraq.

TALKIN' Continued from Page 4 Alan," I told him. "Yes," replied Funt, "and that's exactly why 'Candid Camera' can't be filmed here."

I don't know if he ever tried filming somebody trying to borrow something from a New York City store after he left Louisville. If he did, I missed that episode.

I'm betting that nobody could borrow a tape recorder from a store in Louisville now. It's not as nice and trusting a world as it was 30 years ago.

And sadly, times have changed so much that people might very well react to Candid Camera stunts in a hateful way in Louisville today.

Farmer's Market... Fresh Ideas

By Jill Hatton EFNEP Program Assistant

This is the final week of this season of the Farmer's Market. We have already begun our planning for next year's garden.

LETTERS TO THE EDITOR

Reading the account of the fiscal court meeting should drive home to those that actually care about Nicholas County just how hopeless their cause has become.

As stated by the Judge the court members have broad shoulders. Too bad their heads aren't as big as their shoulders.

We have men overseas getting killed, trying to get democracy for other people, no matter how you feel about the war. All we need to do is drive to the polls.
