workaholic acts, the addic-tions, the way we berate our-selves is cruel. None of us would say to our friends or even a stranger what we of-ten say to ourselves. We ex-pect more of ourselves than any human can do. People sometimes treat horses and animals better than we do recent stories.

We are cruel to nature, and much of our cruelty can-

not be undone. Yet, our cruelty does not stop with the environment. Secondly, we are cruel to
