Nicholas County World War II Veterans were honored Saturday at the Neal Welcome Center. The KET Friends Board and Planning Committee have worked diligently since last month planning the day's activities.

There were 70 in attendance with about 15 World War II Veterans. "Everything was great. I appreciate everyone who helped," said KET Friends Board Member Martha Sue Taylor.

Members of the Kentucky B Battery 2138th Field Artillery Battalion presented the colors while Michelle McDonald led the singing of the National Anthem and the Pledge of Allegiance.

Brother Steve Smith of Carlisle Christian Church presented the invocation.

Bro. Smith also conducted the Missing Man Ceremony, which was a touching ceremony honoring the many soldiers who are MIA.

Following the Missing Man Ceremony, Bill Crawford led the Recognition and Introduction of World War II Veterans. There were about 15 World War II Veterans in attendance.

Veteran Charles E. Wilson, spoke and shared his captivating personal experience during World War II.

Mr. Wilson reflected on the atrocities conducted by the Nazis in concentration camps, the liberation of Paris, overall life during the war, and much more.

Veterans are sometimes leery about sharing their individual stories, so Mr. Wilson's personal experience was a very powerful and emotional testament to hard-horrible WWII was.

Josh Shepherd shared his rendition of "Carlisle in Wartime," where he impersonated Mr. Neal in his shop during the time of WWII, referring to the number of boys who were at war, how his children were overseas, doing their duty.

The KET Staff made two presentations, "The War" a documentary about World War II and "The War in Kentucky" is at 8 p.m. Sat., Sept. 29 on KET2.

I want young people to see how the country pulled together to defeat them, to win," said Mrs. Taylor.

Nicholas County had one of the highest turnout of many of the same events that the KET Friends Board is sponsoring. The KET Staff invites Veterans to share their stories by calling KET to set up and appointment with an Oral Historian. Following the presentations, the Colors were retired by Josh Shepherd shared
