Hutchison to retire from Whitaker Bank

Lanny Hutchison has been an employee of Whitaker Bank Corporation his entire adult life. He was hired on June 15, 1970 at the age of 17 as a Teller/Management Trainee at Whitaker Bank in Carlisle, formerly known as First National Bank of Carlisle.

He worked in that capacity until June 1972 when he was promoted to Operations Assistant Officer. Hutchison spent 14 years as the Operations and Security Officer at the Carlisle office, until June of 1986 when he accepted the same position at Whitaker Bank in Frankfort.

Less than a year later, he took on the role of President/CEO of Whitaker Bank in Carlisle, March of 1987. Lanny has served as the area president in the Carlisle office since that time.

Hutchison has been instrumental in the success of Whitaker Bank. He has worked in nearly every area of the bank, and has

enriched the lives of those around him with his wisdom. His wealth of knowledge and experience will be greatly missed.

Hutchison's retirement will take effect April 2, 2008. His plans after retirement include traveling and spending time with his wife Ann, and his children Landon and Andrea.

Dianne Kenney, Vice President and Loan Officer at Whitaker Bank in Carlisle, will succeed Lanny Hutchison as Area President.

Guests from India join Carlisle Rotarians

Members and guests of the Carlisle Rotary Club now know much more about India than they knew one month ago.

The club program last week featured visual presentations by a visiting team of four young professionals and Rotarian Team Leader Ravi Shrivide from the province of Maharashtra in India. Each of the five members of the team presented a different aspect of the life and culture of India, plus personal information about their professions and about themselves and their families.

Team Leader Ravi Shrivide is a practicing obstetrician and gynecologist. Swati Gokhale is also a practicing obstetrician and gynecologist.

Anirbha Totey is an ophthalmologist. Vaishali Bhatjwale is a psychologist. Ray Arizola is founder and CEO of a resume writing firm.

Past Rotary District Governor and Carlisle and Jacqueline Bartlett, one of the four members of the team that he led to the Maharashtra in January, had made a presentation on their five weeks' experience in India earlier this year, including a focus on the amazing amount of kindness of humanitarian services that Rotary provides to the needy in India, as well in other nations around the world.

Team leader Ravi Shrivide and his wife and daughter had served as one of the gracious host families to Bill Crawford during the Kentucky team's visit to India.

The Indian team members were hosted in Carlisle in the homes of Jack Conley and Tom and Bonnie Metcalfe.

While visiting in Carlisle, the team also was taken on a tour of the Red River Gorge and to a climb onto Natural Bridge.

I would like to thank those who donated to the Honrville Cemetery for the gravel road. Your continued support is greatly appreciated.

Sincerely, Opal Kelley
