Detective Clinton Graves testifies

Kentucky State Police Detective Clinton Graves testifies Tuesday during the three-day scheduled trial of the Commonwealth of Kentucky versus Joshua Abnee. Abnee is accused of sodomy and unlawful imprisonment. It is his second trial for the offenses with The Honorable Circuit Judge Robert McGinnis declaring a mistrial Nov. 26, 2007. Judge McGinnis later wrote in an order that witnesses for the Commonwealth, during the Nov. 2007 trial, referred to case notes during her testimony and it was these notes and the failure to provide them to the defense which served as the basis for the court to declare a mistrial. This week's trial is scheduled to end Thursday.
