

Farmer Of The Month

John Watkins has been nominated for the Farmer Of The Month Focus. Mr. Watkins attends 90 acres of tobacco, 50 acres of corn, 30 acres of wheat. He raises cattle along with his other crops. John has been farming since he was 15 years old. His hobbies are hunting and welding. His favorite part of farming that John likes is raising the crops. The drought and gas prices have affected him big time by cutting into the profit. His dad helps him with the farm. John has been married to Paula for 17 years and they have two wonderful children at the age of 5 and 10. John

not only works on the farm but he is a mail carrier for the Carlisle Post Office. If you see John out and about let him know that you appreciate the hard work that he does.

Nicholas County Clerk, Douglas Fryman, attends Kentucky County Clerks' Association Fall Conference

Nicholas County Clerk, Douglas Fryman, recently attended the Kentucky County Clerks' Association Fall Conference, in Lexington, Kentucky. While at the conference, Fryman, who has served as County Clerk since 1990, attended numerous training sessions that were geared toward helping county clerks become more knowledgeable about their office. Some of the sessions focused on election procedures, while others focused on new procedures for recordings, and titling and registration of motor vehicles.

Steve Beshear was the featured speaker and addressed the clerks at their opening session. Beshear discussed ways that his administration was planning to work with local county clerks in finding ways for both to better serve the public. County clerks who attended the conference received training credit for the sessions they attended as part of their continuing education. For more information about the Kentucky County Clerks' Association, please contact KCCA Executive Director Bill May, at 502-227-2922.
