SANTA LETTERS

Dear Santa - My name is Kinsee Claire Feeney. I am only 2 months old, so my Grammy is helping me write this letter to you. My mommy and daddy say I am rotten, but my Grammy says I am the best little girl in the world. I had a rough start into this world, but I am doing wonderful now. I have a small list of things that I wish for this Christmas. There is not much a tiny girl can ask for. I would like a little pony jumperoo, some jewelry, a mirror to look at myself while riding in the car, a Ippity Cabbage Patch doll, some new clothes, a baby ring, John Deer boots, (in some toys to play with. You can leave some surprises, if there is anything else that you can think of that a little girl could use. Don't forget my big brother Carter, he is the best big brother a girl could have. We will leave you an Ale-8 and cookies under the tree and some carrots for the deer.

Your Pal,
Kinsee Claire Feeney
P.S. Don't' forget my cousin Hayden Klay, he is jus wild about me. Andy my buddy Walter Platt says he's been good also.

Dear Santa - This is your little pal Carter Allen Marcum. I have tried my darndest to be good. I'll be the first to tell you that it is not always an easy task. There is just so much a mischievous little boy can do. I have come up with a little list of items that I think I would like to have, if you think I deserve them. The first item on my list may sound a little strange, but don't you think I could use a purple Hanesh Montana scooter? Mom says black would do just fine if you can't find that purple one. I also need a portable DVD players and some movies to keep me occupied in the car on those long trips. I am growing like a weed so I need some new clothes and shoes. I also had my eye on those John Deere farm sets at Pecks. Papaw Clarence says that all boys need that John Deer bicycle. I know there are more things that I need, if you can think of anything else that I need, could you drop it off on Christmas Eve? Don't forget that I have a new baby sister named Kinsee Claire. Mommy says she is bad at nights, but I know that is a fib. I will leave you some cookies and an Ale 8 under the tree and some carrots for the deer.

Lots of love
Your lil' Buddy
Carter Allen Marcum

Mommy and Daddy keep reminding me that you are watching me all the time but being as curious as Curious George, I do get into lots of trouble at home and school. I have made a list of some things that I would like to hope if you think I've been good enough. I promise I'll try harder next year. I will give it my darndest.

For Christmas I would like new pair of boots and tennis shoes, a Thomas the Train track with some new trains, a John Deere farm set, a pair of Hulk boxing gloves, a portable DVD player and movies. Papaw Clarence Says that his little man needs to have a John Deere bicycle. I also need some new clothes to wear to school. If you can thin of anything else I might need you can bring a few surprises.

I will leave you some cookies and milk under the tree. Don't' forget my lil' cousin Carter Allen he has tried extra hard lately to be good, and Kinsee Claire, is my new cousin she's just an angel and she could use something special. Mamaw and Papaw Workman could use something special, after all they do have my spoiled rotten. Don't' forget all my friends at Fleming County Head Start. Dear Santa - Thank you for the letter you wrote my brother Jay and me. We were so excited to find out you will be coming to see us soon and that we had made the "good" list this year. I was a little worried about that!

For Christmas this year I would like to have the Star Wars AT-TE vehicle, Captain Cody, Captain Oddball, Clone Troopers and any other Stars Wars figures that you might have. I would like to have a Captain Cody and a new Captain Rex costume. I am really into Star Wars (and so is my dad). I would also like to have the GeoTrax Airport and airplane. If there is anything else you would like to bring me, that would be fine.

I will leave you some chocolate chip Rudolphs and a Mt. Dew beside the tree for you. I know you will need a snack for your long trip. Please don't forget about my little brother Jay, all of my friends in Mrs. Stephanie's and Mrs. Beulah's preschool class, my friend Gracie, and all of my cousins. See you soon!

Love,
Eli Hughes

Please don't forget my big brother Eli, my special friend Grace, all of my cousins, and all of my friends at Little Jackets Daycare, and Mrs. Paula and Mrs. Sarah.

Dear, Santa Claus- My name is Will Vice and I and 2 ½ years old. I have tried to be good this year, but sometimes it's hard. This year for Christmas I would like a red barn that is big enough to put all of my farm animals in. I would also like a camera because Mommy will not let me play with hers. If you have room for more, I am asking for the Go, Diego, Go Rescue Railway and a fishing pole. Mommy says you want me to use the potty, just so you know! I am working on it. I'll try to have that taken care of before Christmas. Please remember to bring my best friends Trent, Tate, and Kayci Jo something in your sleigh. I will leave you some cookies and "juice" by the Christmas tree.

Merry Christmas!
Love,
Will
