Fire destroys home, traps firefighters

On Saturday morning, an early Saturday morning fire destroyed a double-wide mobile home on Lehman's Chapel Road and threatened the lives of two firefighters when part of the burning home collapsed on top of them. Firefighters responded the fire at the home of Donnie Cameron at 2225 Lehman's Chapel Road at approximately 3:30 Saturday morning.

He had a lot of guns and pictures that Jeremy and I had just put some pictures next to the door and was going back for something else. And the roof collapsed. The firefighters put the fire out and returned to the fire hall where they discovered that one of the firefighters, Scott Allison, had their vehicle stolen.

Final arrangements for Mr. Cameron are being made at The Mercury goes to print with arrangements being made by Clark Funeral Home.
