HOROSCOPES

ARIES - Mar 21/Apr 20
Aries, your idea to fund a venture fits a void that you've been trying to fill for a while. However, use caution and take it slow when making big decisions.

TAURUS - Apr 21/May 21
Taurus, it's hard to resist friends, especially when they approach you with a "can't-miss" plan. Use your better judgement before you get in over your head.

GEMINI - May 22/Jun 21
Strange conversations with a family member put you on guard, Gemini. Unfortunately, you can't focus on much other than those words. Tuesday is enlightening.

CANCER - Jun 22/Jul 22
This week will make for busy travel, Cancer. It's much more than just the typical work commute. Think about spending more time in the comfort of home.

LEO - Jul 23/Aug 23
Leo, there are a lot of elements in the universe intent on getting in your path. Suit up for the real-life video game that will be your life for the next week.

VIRGO - Aug 24/Sept 22
Try to show compassion when news is brought to light, Virgo, even if you know the person at the center has acted poorly. Now is not the time to say, "I told you so."

LIBRA - Sept 23/Oct 23
In a rush to get out of work one day, Libra, miscommunication may occur. You could be in the dog house for a few days because of these actions. Romance is eclipsed by work.

SCORPIO - Oct 24/Nov 22
Unexpected expenses are par for the course this week, Scorpio. Fortunately, you've had that "rainy day" fund set aside for some time now.

SAGITTARIUS - Nov 23/Dec 21
Let sleeping dogs lie, Sagittarius. You don't want to get involved in something this week that will put you in and trap you for a while. Travel sounds like a great idea.

CAPRICORN - Dec 22/Jan 20
Capricorn, this week you may disclose something personal that you never had intended. You'll have to live with the consequences for more time than you think.

AQUARIUS - Jan 21/Feb 18
Aquarius, while others around you seem down and out, you're a breath of fresh air and optimism. Don't let others bring you down as you enjoy these days.

PISCES - Feb 19/Mar 20
Get creative with recreational ideas, Pisces. The funds aren't there for a grand escape, but you can still have fun.

LIFESTYLE

A Pinch of This and a Dash of That

By Jill Hatton
EFNEP Program Assistant
Nicholas County Extension Office

February is now more than half over. Spring is right around the corner! When I think of the spring I think of the garden and one of the first vegetables I think about planting is cabbage. Cabbage also happens to be one of the best buys for February. The best buys for February are cabbage, potatoes, and onions. Cabbage is a cruciferous vegetable. Cabbage is in the same family as cauliflower, Brussels' sprouts, kale, broccoli, and bok choy. All of the members of the cruciferous family contain phytochemicals, vitamins, minerals, and FIBER that are important to your health. This family of vegetables is commonly known as the "super-vegies" as known that this group of vegetables help to fight off cancer. This week I will share with you some cabbage recipes.

Cabbage Comfort

Ingredients:

1 teaspoon vegetable oil
1 medium onion, sliced
6 cups sliced cabbage
¼ teaspoon salt
¼ teaspoon black pepper
1 teaspoon caraway seeds
