

SALUTING FFA

FFA has new name

The Nicholas County High School FFA has been a staple in the area for over 70 years.

Over the decades there has been many changes not only in Nicholas County but all of the FFA chapters in the world.

The biggest change can be dated back 1988 when the FFA removed the name "Future Farmers of America," and changed to the National FFA Organization.

This was changed due to the number of farmers decreasing (less than 2 percent of the world are farmers) and the increasing number

agriculture jobs not directly related to farming (1/4 of the US are in a agriculture job).

At NCHS we have focused not only on farming but the important science and business aspects of agriculture.

February 18-23 was celebrated nationally as national FFA Week a-time to reflect on the importance of agriculture and how the largest youth organization in the world continues to support the nations largest field of endeavor.

We ask you to help support the FFA and our youth. We have had numerous

fundraisers form raffles and our annual fruit sale.

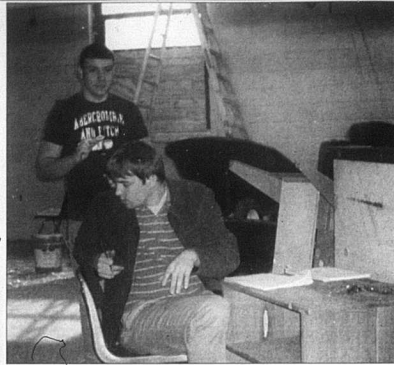

We also ask you to purchase plants in our annual greenhouse sale in April.

Once Again thank you for your support.

NCHS FFA

FFA Mission

The National FFA Organization is dedicated to making a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.
