Thoughts from... the Pastor's Study

By Bro. Ernie Carmicle, Carlisle UMC

I want to share with you a story about a man you may have met in Christian Bible School as a child. His name was Zachaeus...

He said, "Zachaeus, you come down! For I am going to your house today." Now this little song about a little man tells me so much about the story, but not the whole story. I guess you could say I want to tell you the rest of the story...

Romans people considered him the worst of sinners. One day a crowd gathered and Zachaeus heard that Jesus was coming into the city. Being little and with no friends he couldn't get through the crowd to see this man he had heard so wonderful happened to this little man in a tree...

So he climbed a sycamore tree. From his perch he could take in all the sights and clearly see Jesus as he passed. That the unthinkable happened; Jesus stopped and spoke to Zachaeus. Not in the an-

grace you so many others had spoken to him. But in a soft and kind voice Jesus said, "Zachaeus, make haste and come down for I must eat at your house today."

felt before and his response was "Yes Lord." Then the city and kind voice of Jesus said, "Zachaeus, make haste and come down for I must eat at your house today."

Could you be at risk for diabetes? What is it?

Diabetes means that your blood glucose (sugar) is too high. Your blood always has some glucose in it because the body needs glucose for energy to keep you going. Too much glucose in the blood is dangerous and leads to complications...

harmful by too much sugar in your blood. Who is at risk for diabetes? YOU - Yes! You! Or someone you love or work with...

Test or an Oral Glucose Test. With the FPG test, a level between 100 and 125 mg/dl signals pre-diabetes. A person with a fasting blood glucose level of 126 mg/dl or higher has diabetes. The ADA recommends the FPG because it is easier, faster and less expensive to perform.
