Thoughts from... the Pastor's Study

By Donald Riggs. God Loves You Because He Wants To. Not because we deserve it. Romans 8:35-39. I would like to start with a verse of song. The Love of God.

He loves you because you and He are connected by the pure covenant of blood of Jesus and there's nothing you can do to change that. That's what agape love is! You have asked forgiveness from God and received Jesus as your Lord and savior. You're a child of God, and are Loved by Him!

in god, and God in him. 19 & 21 - We love him, because he first loved us. And this commandment have we from him. That he who loveth God love his Brother also.

measure of the stature of the fullness of Christ. And he is renewed in the spirit of our mind; And that we put on the new man, which after God is created in righteousness and true holiness. And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you, and me.

Paul writes: Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Nay, in all these things we are more than conquerors through him that loved us. For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.
