EPSP Program Assistant
Nicholas County Extension Office

Happy June! The weather over the weekend was just beautiful and Dad put out another row of grape beans. Everyone in our family likes green beans and a lot of people at the farmer's market like green beans.

Kentucky Greens
Season: May through early July, October through mid-November.
Nutrition Facts: Broccoli is a good source of vitamin A, vitamin C, and phytochemicals, all of which have health benefits.

Recipe: Broccoli Salad Supreme
4 cups raw broccoli, chopped
1 cup celery, chopped
1/2 cup green onions

Thoughts from... the Pastor's Study
Several years back, Robert Fulcrum wrote a little piece titled "All I Ever Needed to Know, I Learned in Kindergarten." Someone sent me a clone of that piece but the title was: "Everything I Need to Know, I Learned From Noah's Ark."

Thoughts from... the Pastor's Study
When God looked over the earth and time and evaluated mankind He didn't like what he saw.
Gen. 6:5 The LORD saw how great man's wickedness on the earth had become, and that every inclination of the thoughts of his heart was only evil all the time.

Thoughts from... the Pastor's Study
I REMEMBER THAT WE ARE ALL IN THE SAME BOAT.
There was one thing that distinguished Noah from all other people of that time: Gen. 6:8 But Noah found favor in the eyes of the LORD.
... Noah was a righteous man, blameless among the people of his time, and he walked with God.
... Noah was a righteous man, blameless among the people of his time, and he walked with God.
