

# PROJECT GRADUATION

## PROJECT GRADUATION 2008

After the graduation of the "Class of 2008", 68 members returned to Nicholas County High School at 11:00 p.m. to enjoy an all night celebration with their fellow class mates. A school bus took them to "The Pavilion" in Georgetown for a night of basketball, corn hole, volleyball, swimming, card games, contests, food and prizes. This would be the last night they would see many of our graduates to visit each other before going their separate ways.

The Project Graduation Committee, made up of parents and faculty began their donation drive in February. They had many fundraisers, such as a fish fry, Past, Present and Future Basketball game and a new fundraiser called Cow Pie Bingo. All the donations were used to provide a safe place, prizes and entertainment for the "Class of 2008". Because of the community's kindheartedness, we were able to provide this all night celebration at no cost to students. It seems like every year the urgency to keep our graduates safe after their commencement exercises increases. According to many kids from surrounding counties, Nicholas County has one of the best programs.

After a night of fun and a breakfast of donuts, the students returned to Nicholas County High School by bus and received a shirt, bag of goodies and a nice gift they had chosen to receive if they attended. Everyone was tired on Monday morning, but it was a night to remember for everyone attending.
