monster, a Big Foot look-alike. The hairy creature inspired the movie *The Legend of Boggy Creek*.

**FLORIDA**—Caladesi Island State Park in Dade County (pop. 35,691) was named the nation's No. 1 beach in the 2008 America's Best Beaches ranking by Stephen "Dr. Beach" Leatherman.

The Florida International University professor and beach expert rates beaches using 50 criteria, including quality of water and sand.

**GEORGIA**—Sometimes called "Georgia's Little Grand Canyon," Providence Canyon State Park near Lumpkin (pop. 1,369) features a multicolored network of gorges, some more than 100 feet deep.

**KENTUCKY**—In 1925, Mary Breckinridge founded Frontier Nursing Service in Leslie County (pop. 12,403) and introduced the profession of nurse-midwifery in the United States. Nurse-midwives on horseback brought health care to women and children living in remote areas.

**LOUISIANA**—In 1959, the state designated Breaux Bridge (pop. 7,281) as the official "Crawfish Capital of the World" because of its crawfish farming industry and cuisine. The dish, *crawfish étouffée*, is a local creation.

**MISSISSIPPI**—In 1894, faculty members of Tulane University in New Orleans established Newcomb Pottery, an ambitious program of vocational training for young women artists. Operated until 1940, Newcomb Pottery is highly valued by collectors and art historians.

**NORTH CAROLINA**—The state's official Christmas tree is the Fraser fir, adopted in 2005. The fir, which are native to the Appalachian Mountains, can grow to 80 feet in height and have trunks as large as 18 inches in diameter.

**SOUTH CAROLINA**—One of the state's oldest surviving gristmills still producing grain products is the 1845 Hagood Mill near Pickens (pop. 3,012). The mill has a 20-foot overhanging wooden waterwheel.

**TENNESSEE**—Zerk Swock's Mountains in Pigeon Forge (pop. 3,083) is the first U.S. site to offer the extreme sport of "zorbing," in which thrill seekers strap themselves into 11-foot-high inflatable balls and tumble head over heels downhill.

**VIRGINIA**—Considered one of the greatest living luthiers, Wayne Henderson of Grayson County (pop. 17,917) has built acoustic guitars for Doc Watson, Gillian Welch and Eric Clapton. In 1995, he received the National Endowment for the Arts' National Heritage Fellowship for his work as an instrument maker and musician.

**WEST VIRGINIA**—The 4,009-foot-long Blennerhassett Island Bridge, which crosses the Ohio River and Blennerhassett Island near Parkersburg (pop. 33,099), is a network tied-arch steel structure and one of the longest of its type in the world. The \$136 million bridge opened in June.

**Erectile Dysfunction Correction**

At little or NO COST to you

What is Vacuum Therapy? Vacuum therapy is the safest, most effective form of impotence treatment. It is over 95% successful. If used properly, the system will work for virtually all men.

Why this is the choice for you?

- Effective results in as little as 30 seconds versus up to 10 minutes for other systems
- Battery operated system (no embarrassing manual pumping)
- No pump disassembly or oiling required
- Compact design for discretion and easy storage
- Patented Ring Ejector system to minimize erection loss
- We have always offered a 100% money back guarantee
- LIFETIME Manufacturers Warranty

Bring back the joy... Countless couples have brought the joy back into their lives. You and your partner will be able to control when, where, and how long you want to be intimate.

**Customer Feedback**

"I tried other devices before and they required a lot of dexterity with all the manual pumping. With the new battery operated system there is no more embarrassing and it's faster." - Richard T.

"...You've made me feel young again!" - Kenneth L.

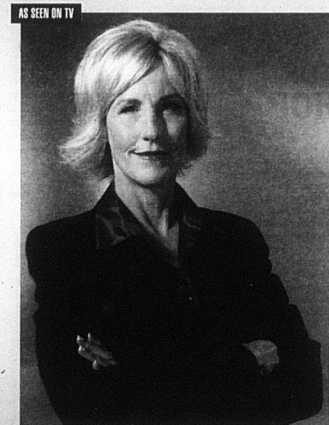

Because it's routinely covered by Medicare and many other insurance plans don't settle for a cheap system when you can get the best quality product with **PROVEN** results.

Call TODAY! 1-800-957-6031

Discount Diabetic also provides Diabetic testing supplies and Arthritis heating pads at NO COST to you.  
You do not have to have diabetes to receive the vacuum therapy system.  
\*deductible and copay may apply

**ASBESTOS LITIGATION NOTICE**

NOV 5 2008

I'm Erin Brockovich...  
the *real* Erin Brockovich!

I've seen the harm big corporations can do, with workers who, thirty years later, have developed Mesothelioma and Lung Cancer, through no fault of their own.

For over 20 years, Weitz & Luxenberg has taken on these corporations and won billions of dollars in verdicts and settlements for their clients, composed of individuals from all 50 states.

I know them, I've worked with them, and I trust them!

If you've been occupationally exposed to asbestos and have an asbestos-related disease, give Weitz & Luxenberg a call today at 1-888-411-LAWS (5297) — it will be in your best interests.

Erin
