Lady Jockeys progress under Cornett

As a player, Nicholas County High School girls' basketball coach Jennifer Cornett was a leader. Cornett excelled on the basketball playing floor both in high school and college. She expects her players to lead out on the hardwood as well. The current cast of NCHS girls' basketball players are eager for the tip-off of the 2008-09 season, which is now just days away. Over the summer, NCHS girls' basketball players went to work on the court. Cornett and her coaching staff are hopeful that the hard work will pay off during the upcoming campaign.

Kentucky Winter Driving Tips

- Staying Safe for the Holidays -

FRANKFORT, Ky. - Colder weather, and even snow in recent days, means the winter travel season is here. And the Kentucky Transportation Cabinet (KYTC) is mobilizing its resources to make sure driving conditions are as safe as possible. "Safety will always be our main concern, and many times we face our greatest tests during the winter months," Transportation Secretary Joe Prather said. "When winter weather hits, whether it's in the middle of the night, on a weekend or a holiday, dedicated personnel answer the call. We are extremely fortunate to have a team so devoted to serving others."

Maintenance crews in all 120 counties are prepared to work as long as it takes and as often as required to keep roads in the best possible condition during winter weather. KYTC has 320,000 tons of salt - including nearly 15,000 tons in Highway District Nine, which covers Bath, Boyd, Carter, Elliott, Fleming, Greenup, Lewis, Mason, Nicholas and Rowan counties. The cabinet will use approximately 1,000 state-owned trucks and more than 380 contract snow and ice trucks to keep the roads clear.

Information about District Nine snow-clearing activities, a list of priority routes for each county and links to travel notices are online at <http://www.transportation.ky.gov/d9>. Road condition reports for major routes in Kentucky are available by calling 511 or by visiting the 511 travel and traffic information web site at <http://511.ky.gov>. Conditions are described in the following manner:

Wet Pavement - The road way is wet. Ice could form as the temperature drops.

Partly Covered - The road way is partly covered with snow, slush or ice. Markings may be obscured.

Mostly Covered - The road way is mostly covered with snow, slush or ice. Roadway markers may be difficult to see because of packed snow and rutting conditions.

Completely Covered - The road way is completely covered with snow, slush, or ice. Markings are obscured.

Courthouse Square Arts Guild

by Regina Barnes

Thanksgiving is the year has turned its circle. The seasons come and go. The harvest all is gathered in and chilly north winds blow. Orchards have shared their treasures. The fields, their yellow grain. So open wide the doorway. Thanking comes again! -Author Unknown

A Happy Thanksgiving! Whether you're having a big family get together or small gathering may you have a blessed day with everyone you love at your side. Taking trips down memory lane, talking about generations past, and giving thanks for every second we enjoyed being with those that are not with us now.

In Nicholas and surrounding areas we have been blessed with so many talented people. Some have become famous writers others musicians and painters etc. We have the tendency to think about painting and drawing when we think of art, however there are many other arts to enjoy.

At the recent art show that the guild held during the Saturday in Carlisle activities, one of the entries was the first of its kind that had been put on exhibit. The book "Nellie's Legacy" by Mrs. Sherry Galbraith Howard.

"Nellie's Legacy" was written about Sherry's third great aunt, Eleanor Nicholas County, who was the first woman to be elected to the Nicholas County Library on a regular basis. Folks from all over the area interested in their genealogy find their way to Nicholas County as many of their ancestors once were settled here.

Upon the suggestion of Mrs. Helen Hamilton a few years ago the story was written and finally started to come together. Just deciphering and writing was another challenge," according to Sherry. Many people are bored with the court proceeding and depositions, but for those who are history buff will appreciate this true story of these families, neighbors and their day to day life.

Sherry is retired and she and her husband enjoy small town life in Nicholas County. Thanks Sherry for sharing your art with all of us.

I hope your Halloween was fun this year. Sherry's most of the Courthouse Square Arts Guild were down at Blue Licks State Resort Park face painting and enjoying a good scare. They even gave a chocolate bar and I didn't have a funny face on, that worries me! It was fun. We have a lot of other great activities coming up to finish off 2008. The first Saturday of December at the Nicholas County Christmas Parade look for the guild all you kids we'll be painting Christmas ornaments for you to give to Mom and Dad (or Manly if you so desire). Also the guild will have a Christmas tree decorated down at Blue Licks State Resort Park with ornaments the guild members made and purchased or just admired. So get your turkey stuffed and break out the cranberry sauce and have a wonderful, safe Thanksgiving Day. And be sure to remember ART IS NOT A THING, IT'S A WAY.

TRIVIA ANSWERS: (1) The actor James Brolin played the role of the Dad in this suspense filled horror film in Margot Kidder the Mom. (2) The role of the Priest that tried to help this family to retain their house from the ghost was Rod Taylor. BOOO!!!

TRIVIA FOR NOVEMBER: Bing Crosby began his musical career as a vaudeville drummer and made his radio debut as a member of the Rhythm Boys on Paul Whiteman's Old Gold Hour in 1929. His Fifteen Minutes with Bing Crosby series debuted September 2, 1932. During his long career, Crosby recorded many charted Christmas hits. Name two of his most charted Christmas hits? (2) Name the most loved, classic movie that Bing Crosby and Rosemary Clooney starred in along with Danny Kaye. Name the show that came from that movie?
