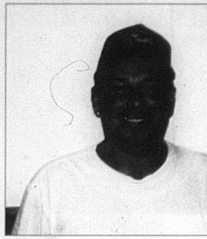
COMMUNITY HIGHLIGHT

Farmer Focus



Mike Sexton

Mike Sexton has been farming with his Dad since he was a little boy at the age of 10. This year makes his 43rd crop of raising tobacco. He has cattle, corn, Alfa hay along with tobacco, with a total operation of 3,500 acres, which he owns 280 acres and the remaining is leased and rented.

The farm is a family owned and operated business which Mike enjoys doing. He is in partners with his dad with farming as well. He enjoys farming, and along with raising crops and dealing with cattle he enjoys his hobbies: playing base for the church and being a member of the Cross Over Contemporary group. "I enjoy farming but dealing with the cattle is my favorite part of farming and if I have ever made success it was by the blessing of the Lord", said Mike.

Mike was nominated by several in the community as the farmer of the month due to his hard work and dedication to this family, farm, and the Lord. If you see Mike out and about let him know that you appreciate all the hard work and effort that he has done.

Old Fashioned Court Days/ Founders' Day Celebration Set

Flemingsburg, KY – The Fleming County Rotary Club will once again host its annual Old-Fashioned Court Days/Founders' Day Celebration in downtown Flemingsburg.

The October 11-12 event will feature vendors, arts and crafts and food in the downtown area of Flemingsburg. On Saturday, a 5K run, pancake breakfast, children's games and activities, and talent contest will be highlighted events. A corn hole tournament, Fleming County trivia contest, tomahawk throwing contest and primitive costume contest will round out the activities.

Saturday's highlighted entertainment will be a free concert honoring Fleming County's own Herman Chittison's birthday. Chittison was a well-known American jazz pianist who was born in Flemingsburg in 1908.

Gospel music will be Sunday's main entertainment from 1 p.m. to 4 p.m. at the center stage on Main Cross Street in downtown. Vendors and arts and crafts will still be set up for the day.

The Fleming County Rotary Club hosts the annual event as both a fundraiser for the club, but also to provide a fun, Fall event for the community that spotlights our history and heritage. The Rotary Club funds local causes as well as national and international projects supported by Rotary International.

"Club members are always interested in making the event bigger and better than each previous year, and this year's lineup includes several entertainment acts and activities that are intended for the whole family," said club secretary Christopher Beckham.

"It's a good opportunity for families to get out and learn something new about their area's history and have fun doing it," Beckham said.

For more information about the Fleming County Rotary Club's Old-Fashioned Court Day/Founders' Day Celebration, please contact Marvin Suit at 849-2338 or Chip Spann at 748-3343.

COMMONWEALTH OF KENTUCKY
NICHOLAS CIRCUIT COURT
CASE NO. 08-CI-00015

DEPOSIT BANK OF CARLISLE — PLAINTIFF
VS: NOTICE OF SALE
RICKY JOLLY, ET AL. — DEFENDANTS

By virtue of Amended Judgment and Order of Sale of the Nicholas Circuit Court entered in the above styled action on September 17, 2008, and to make enough money to satisfy said judgment lien owed Plaintiff in the amount of $49,649.21, plus interest at the rate of 9.50% per annum from October 28, 2007, until paid, plus late fees and assessments, advancements for protection of the property including but not limited to taxes and insurance, escrow advances, $750.00 attorney fees, possible further claim for amounts advanced for taxes, insurance, assessments, or sums expended pursuant to KRS 426.525, and other levies and costs and fees paid by the Plaintiff, including attorney fees, and any delinquent ad valorem property taxes, all as provided in said judgment; the undersigned Master Commissioner will on October 11, 2008, at or about the hour of 10:30 a.m. at the Nicholas County Courthouse door in Carlisle, Kentucky, offer for sale to the highest bidder(s) the following described property in Nicholas County, Kentucky 40311, and more specifically described as follows:

"TRACT 1: A certain lot or parcel of land, with all improvements thereon, lying at the village of Myers, Nicholas County, Kentucky, and bounded as follows:

"BEGINNING at a point in the line of Bertha Cameron's road or passway, corner to the Church lot; thence in an eastern direction with the line of the church lot, where a cross wire fence now stands, 125 feet to a point in the line of William McFarland; thence in a southern direction with William McFarland line 155 ½ feet, corner to Bertha Cameron; thence with Bertha Cameron's line in a western direction 141 feet, corner to Bertha Cameron; thence in a northern direction with Bertha Cameron's line 151 feet to a place of beginning, containing one-half (½) acre, more or less, being sold in gross and not by the acre."

Being the same property conveyed to Ricky Jolly and Valerie Jolly, husband and wife, by Jerry L. Bloomfield and Jeanie D. Bloomfield, husband and wife, by deed dated June 18, 1997, recorded in deed Book 96, Page 743, Nicholas County Clerk's Office.

"For PERPETUAL RIGHT OF PASSWAY to said property, see Deed Book 76, Page 386, Nicholas County Clerk's Office.

"TRACT II: A certain tract or parcel of land with all improvements thereon (including a 1968 Rita 50 x 12 Mobile Home, with addition, bearing serial number V106680098), lying on the waters of Somerset Creek in Nicholas County, Kentucky, on the line of the Somerset Turnpike and bounded and abutted by said turnpike (now New Turnpike Road), the lands J.B. Heiser, John Scott and Carlton Vice, containing forty-seven (47) acres, more or less, but subject to legal highways, and being sold in gross and not by the acre."

Being the same property conveyed to Ricky Jolly and Valerie Jolly, husband and wife, by Kenneth M. George and Barbara George, husband and wife, by deed dated April 27, 1999, recorded in Deed Book 102, Page 379, of the Nicholas County Clerk's Office.

This conveyance is made subject to legal highways and all easements and restrictions of record.

Upon the sale of the above-described property, the purchase price shall be payable in cash. If the purchase price is not paid in full, the successful bidder(s) shall make a deposit of ten (10 %) percent of the total purchase price and give bond with approved good and sufficient surety thereon for payment of the remaining part of the purchase price within thirty (30) days after the date of sale, said bond to have the same force and effect as a judgment and to be a lien on said property and to bear interest at the rate of twelve (12%) percent per annum from date of sale until paid, which bond and accrued interest can be paid before maturity.

Said property shall be sold as a whole "as is" and free and clear of all liens, encumbrances and interests of the parties herein but shall be sold subject to:

(a) 2008 and subsequent years ad valorem property taxes which shall be paid by the purchaser(s);
(b) Legal highways, easements, restrictions, covenants and stipulations of record affecting said property, and applicable zoning ordinances and governmental laws and regulations affecting same;
(c) Any assessments for public improvements levied against the property;
(d) Any facts that could be disclosed by an accurate survey and inspection of the property.
(e) Any right of redemption which may exist.

Neither the Court nor the Master Commissioner shall be deemed to have warranted title to any purchaser(s). Purchaser(s) shall be entitled to possession of the premises upon full payment of the purchase price or execution of the sale bonds and confirmation of the sale by the Court, and a deed will be delivered to purchaser(s) upon approval of same by the Court.

Following sale of the above-described property, the Master Commissioner shall promptly report same to the Court, and said report shall be held over for a period of ten (10) days for confirmation or exceptions. Anyone desiring to object or except to the sale shall do so by that time or be forever barred.

s/ Joseph H. Conley, Master Commissioner,
Nicholas Circuit Court

HOMECOMING

Spirit Week at NCHS

By Tobias Hemmert
Student Staff Writer

During Homecoming Week, the students of Nicholas County High School enjoyed much school spirit during a lot of activities, especially at the race for the Spirit Cup.

Throughout the week, freshmen, sophomores, juniors and seniors could win points for their class in various competitions. In the end, the junior class collected most points and won the Spirit Cup, closely followed by the seniors.

The junior girls performed extraordinarily well at the Powder Puff games: They won their semi-final game against the sophomores with a score of 40-8 and defeated the freshmen in the final game on Thursday night by 50:8 after the freshmen won against the senior team (score: 8:6).

Powderpuff game

Homecoming Parade

Furthermore, after Thursday's Homecoming parade through town, the juniors won the points for the best float. They built a float carrying a sinking boat, which represented the "Berea Pirates".

Storefront Spirit

However, after the juniors' win of the Spirit Coup, Principal Joe Orazen appealed to the students to stand together for Friday's game. He said that they had had a good week, but he also stressed that competition between the classes was over and everyone should cheer for one team again, the Blue Jackets of Nicholas County High School.

The Blue Jackets lost the game, but this, did not seem to affect the atmosphere at the Homecoming dance after the game. A lot of students attended the dance and most of them said they had had a lot of fun and a great week.

Getting ready to cheer for the Powder puff championship game, Juniors vs Freshman, on Thursday night.

Homecoming

By Seth Tedder
Student Staff Writer

The cheering and screaming of students in the stands brightens the already beautiful day, as students on the football field dip hot dogs in cups of water and shove them in their mouths, hoping to finish more than the person beside them in two minutes. Events of this sort happened all last week at Nicholas County High School as Homecoming Week waved to the students and faculty alike as it passed by.

The point of all the festivity was a full week of fun for the students to get them pumped up for the Homecoming football game against Berea Friday. Events included pep rallies (which featured a hot dog eating contest, alluded to above), a field day, and the ever famous Powder-Puff Game, where girls get a chance to represent their classes on the football field while guys cheerlead.

Civic Support

To an outsider, this may look like the whole school was joined together all week. But any student or faculty from the school knows that it was the opposite. The Spirit Cup was on everyone's mind this week, meaning the Senior, Junior, Sophomore, and Freshman classes were fighting amongst themselves to win as many events in the week as possible, gaining points for their class and possibly winning the Spirit Cup if the most points were attained.

Points could be gained by participating in Spirit Week (Camo Day, Bad Hair/Socks Day, etc.), having high attendance, and bringing in canned foods for donation throughout the week. Field day and the Powder-Puff game also dealt out a good deal of points. The classes had competitions in poetry, short stories, artistry, who had the best class shirt, designed by the presidents of each class, and which class had the best float, which was supposed to be designed and built by the students, and were in the homecoming parade Thursday.

Early in the week, the Freshmen were dominating, taking 1st place for the first 2 days, while Sophomores were 2nd, Juniors 3rd, and Seniors dead last. But later in the week the placement changed dramatically. With the Juniors being undefeated in Powder-Puff, and the Seniors dominating Field Day, Seniors had 1st, while the Juniors were 2nd. Friday, a 20 point margin separated the two feuding classes and trash talk was abundant.

The class yells at the pep rally finally decided the winner of the spirit cup. The Juniors, with their dominating size and need to constantly make noise, won the class yell and took the Spirit Cup from the Seniors for the 2nd year in a row.

After the pep rally, the separate classes forgot all about the competition between themselves and banded together as a school to focus on the football game and rooted for the football players to bring victory to the school. At the beginning of the week, the school was divided, while at the end, they were one.

King and Queen crowned
Jordan Mynear and Jennifer Marcum were announced Homecoming King and Queen of 2008.

Bluejacket suffer loss in Homecoming game

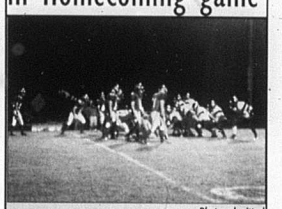

Photo submitted

By Tobias Hemmert
Student Staff Writer

The Nicholas County football team lost their Homecoming game against Berea on Friday night. The score was 42-15.

From the beginning, the team struggled with their rival. After half time, the score was already 21-7.

Head Coach Robert Hopkins said one reason why they lost was the lack of speed. He named this problem in past games, and said they had to work on getting faster in the games.

However, as it was Homecoming, the fan support was even greater than before, and a lot of people came to see the game.

This was the Blue Jackets' third defeat in a row. The team is hoping to win their next game, which is in Bourbon County on Friday night. The action starts at 7:30.

It starts with a lump in the breast.
Then a lump in the throat.
We treat them both.

As two of three mammography technologists at Harrison Memorial Hospital, Beth Withers and Angie Soshe have seen the gamut of emotions on a patient's face following a mammogram. The look of relief from many women who escape the diagnosis of breast cancer, and the look of fear and uncertainty from those who aren't so lucky.

But now, women across Harrison and surrounding counties have more to smile about with the addition of technology and a team of the region's most experienced experts in the early detection and treatment of breast cancer. Our computer-aided detection, or CAD, technology offers our patients the benefit of not one, but two, readings of mammography images. This CAD technology scans the images for any signs of abnormalities and brings those to the attention of our experienced radiologists, who conduct yet another thorough reading. And we offer mammopads to ease discomfort.

At HMH, we perform stereotactic biopsies for treatment of calcifications and ultrasound-guided biopsies when a nodule or cyst is detected. Our technologists are all certified in mammography, and our two radiologists have a combined 40 years of medical experience reading images. And our affiliation with the physicians and researchers of UK's Markey Cancer Center allows us to consult with other experts in the field.

An entire breast cancer team to help women beat the odds. And right here in Cynthiana. Now that's a benefit we can all feel good about.
