"I think it's uplifting for the community of Carlisle," Applegate said. "There are many good and honest people in Nicholas County and this is just one example. You don't hear of many cases these days of people turning in cash money that they've found."

But honesty is the ongoing policy at many places in Nicholas County, where lost items are often returned in full to the rightful owner and are safeguarded until then.

"We've got two sets of keys and a pair of glasses at the store right now," waiting for the owners to come by and pick them up," Browning said. "If you're missing these items and have been in our store recently, stop in and see us."

Nicholas County fans than supporters of Paris.

"We always have good fan support," said Coach Hopkins.

Now, after their second defeat in a row, the Blue Jacks hope to win their next game. This Friday night, all fans of Nicholas County High School will have opportunity to cheer the Blue Jacks on at the Homecoming game against Beren. The game will start at 7:30 p.m. at Nicholas County High School and everyone is invited to come and watch this important game.
