The hard twice the Michales County has treated to the proposed and the Michales County has treated to the proposed and the hard treated the michales and the second treated to the proposed to the hard treated the michales and the michales and

Although Veda (10/92) is sometimes quied and shy, but she loves to play! She enjoys any type of video game. When she grows up, Veda says that she wants to be a race ar driver! She loves to eat and her favorite foods are pizza and vanilla ice cream. She likes to play with dogs and cats, but she enjoys cats the most. Veda likes to watching wrestling on television, and dancing while listening to pop music, in her free time.

Things that make her laugh include playing games and getting compliments from others. She also enjoys art class in school because she gets to be creative. Despite Veda's special needs she truly is a pleasure to be around. Veda needs a family with patience and lots of love and understanding to help her along the way to adulthood. Please call us today if you are the family who wants to give this child a loving and caring home!
