girl talk endometrial ablation

If you're a woman suffering from abnormally heavy or prolonged menstrual periods, it's time to take back control of your life. You may be a good candidate for endometrial ablation, an outpatient surgical procedure...

GERALD HARPELL, M.D. FACOG, FACS

Endometrial ablation is a less costly alternative to a hysterectomy, doesn't require an incision and results in a shorter hospital stay. This procedure can even be performed in the physician's office in most cases.

Dr. Gerald Harpell, an OB/GYN with more than 30 years experience, specializes in endometrial ablation. He is an Associate Clinical Professor of OB/GYN at the University of Kentucky College of Medicine...

For information or a consultation regarding endometrial ablation, contact Just For Women OB/GYN today at 859.234.5555.
