Most all members of the Nicholas County High School girls' golf team have competed alongside one another at some point during their high school career. Nicholas County High School Coach Phil French is fielding a mostly veteran girls' golf team in the 2009 season. Seniors occupy three of the top-five spots for the Nicholas County High School girls' golf team. Seniors Kendall Wills and Brandy Norman rank as the top-two golfers for the NCHS squad. According to French, Wills and Norman either one could hold down the No. 1 spot. Madeline Gallagher is the No. 2 individual for the Lady Jackets. Gallagher is also a senior for the NCHS golf team. Despite featuring three seniors in its top-five order, the NCHS girls' golf team is a diverse unit. Junior Haley McConnell and sophomore Hannah Coldiron are also in the top-five for the Lady Jackets. Other players on the NCHS girls' golf roster include Kimber Letcher, Heather McCall, Kenzie Hopkins, Megan Campbell, Ashley Jordan, Shanna Davis and Emily Howard. Davis and Howard are also seniors. French compiled a full schedule for both the Nicholas County High School girls' and boys' golf teams. "We'll play a lot of matches - both girls and boys," French said. "They'll get plenty of chances to be out there competing and hopefully hit their peak around regional tournament time."

The top-five golfers in the Nicholas County High School boys' golf program are seniors. "We're a senior-dominated team," French confided. "That's not to take anything away from our other players. We've got some juniors who are also competing well along with some underclassmen." The NCHS boys' golf roster numbers in the double digits. Hampton has been starting linebacker and running back for the team's top spot. Another outstanding golfer for the Jackets is Kaleb Brierty, who resides in the No. 3 position.
