WEDCO hosting H1N1 flu vaccination clinic on Dec. 12

The Wedco District Health Department will be hosting H1N1 flu vaccination clinics in each of our counties (Scott, Harrison, and Nicholas Counties), on December 12, 2009 from 9:00 a.m. to 2:00 p.m. (or until vaccine supply is depleted). The clinics will focus on the high risk target groups and those children ages 9 and under who need their second dose of the vaccine.

These clinics will be in the community room at each of the local health departments in each county. Please dress for easy access to the upper arm or the upper thigh depending on the age. There may be some waiting in line outside of the building so please dress appropriately for the weather.

We will have the following doses available in each county on December 12th: 150-14V mid dose, 500-6 months and up with a preservative, 30-6-35 month's preservative free, 100-36 months and up preservative free, 50-48 months and up preservative free, 63-4 years and up with a preservative.
