

Stoner Creek Behavioral Health Centre is a 25-bed inpatient facility located within Bourbon Community Hospital in Paris, Kentucky.

Senior Services and Adult Services are housed in a 16-bed acute care unit, with separate programming tracks for each population.

Adolescent Services are housed in a 9-bed acute care unit.

Private and semi-private accommodations are provided for the comfort of our patients.

Our treatment is guided by the philosophy that each patient is a unique individual. We strive to provide a planned program of individualized, effective psychiatric services of a dedicated team of psychiatrists, clinical psychologists, nurses, social workers, mental health technicians, recreation therapists and Kentucky certified teachers.

Referrals to the Centre can be made by physicians, psychologists, psychiatrists, social workers, ministers, nurses, home health agencies, family members, therapists, teachers and other agencies.

Patients experiencing psychiatric emergencies who present to the Emergency Department of Bourbon Community Hospital will be evaluated for admission. Admissions can be processed 24 hours a day, 7 days a week. To obtain a free, confidential

A Word From Our CEO

Joe Kich, CEO

At Bourbon Community Hospital

Our goal is to deliver high-quality healthcare for Bourbon and surrounding counties. With the help of our dedicated physicians, nurses and healthcare professionals, along with your continued support we continue to move forward. We're proud to be an integral part of this great community and to play our role in helping Bourbon and surrounding counties be the best they can be. Delivering excellent healthcare is a major component of the contribution we make. But there are many other ways our hospital generates a positive impact on the community it serves.

Over \$1.2 million In Capital Improvements

We have recently completed our new Medical Office Building. We have also added a multi-slice CT Scanner and made a number of quality improvements to our state-of-the-art facility including expanding our behavioral health unit to include eight geriatric beds.

Adding New Physicians

During the past 12 months, Bourbon Community Hospital has added thirteen new physicians to our highly respected medical staff, including specialists in Cardiology, Dentistry, Emergency Medicine, Family Practice, Internal Medicine/Hospitalist, Nephrology, Ophthalmology, Pathology, Pediatrics, Psychiatry and Radiology.

Contributing To Our Local Tax Base

Last year, Bourbon Community Hospital paid \$116,842 in local property taxes and \$28,592 in state sales taxes.

Helping Those In Need

Over the last year, Bourbon Community Hospital has provided over \$2,730,000 in uncompensated care for those lacking sufficient financial resources, along with \$404,000 in Indigent Provider taxes to help fund State Medicaid. This continues to be an important mission of the hospital.

One Of Our Community's Major Employers

Providing an annual payroll of \$8,339,000 to 231 employees, Bourbon Community Hospital is one of the largest employers in the area. We thank you for choosing Bourbon Community Hospital for your healthcare needs. With your support, together we can make an even greater hospital and a healthier community.
