VACCINE NEWS

Dixie Davidson, PA-C
 Director, Vaccines
 for Children Program

There are some new vaccines available! What you need to know:

1. Ages 11-18: GARDASIL for girls, protects against HPV, the most common cause of cervical cancer.
2. Ages 12-18: MENACTRA, protects against bacterial meningitis, an often deadly infection. Especially recommended for kids going off to college for the first time.
3. Adults: ZOSTAVAX, protects against shingles. PNEUMOVAX, protects against pneumonia. ADACEL, a tetanus/whooping cough vaccine.

Immunizations are provided FREE by the Vaccines for Children Program for children who are covered on Medicaid or have no insurance. We can special-order vaccines for those with private insurance. Feel free to call if you have any questions or concerns or want to schedule an appointment.

We also offer the regular childhood immunizations and the ADACEL booster for 67 graders.
