Thoughts from... the Ministerial Association Rev. Donald Riggs

John 3:16 John wrote, "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." I John 3:16 beheld that manner of love that the Father hath bestowed upon us, that we should be called the children of God... I John 4:14 beheld, we have seen and do testify that the Father sent the Son to be the Savior of the world.

Mercury Memories

25 Years Ago July 12, 1984 Reflections of the 1984 Blackberry Festival. It's almost become a fact of life. Expect rain on the 4th of July. While Nicholas County County downpour recorded in Louisville, Lexington and much of the southeast part of the state, enough rain fell to rejuvenate thirty tobacco plants, temporarily, without putting a damper on outdoor activities. American Legion officials were able to squeeze in the electric flag dedication and the Chamber of Commerce got to shoot its spectacular display of fireworks, just when it seemed Mother Nature might unleash her own version in the sky over Carlisle. 50 Years Ago July 16, 1959 Lack of rainfall has put Kentucky's corn and pasture crops near the critical point, Agriculture Commissioner Ben Butler says. The commissioner said the crops will suffer dangerously if the state does not get rain within a week. Charles Edward Wilson was employed by the Nicholas County Board of Education as principal of the Nicholas County High School at Camp Black Hawk next week for the Royal Ambassador Camp. This is the second camp which have the Rev. J. Arthur Depew, former Minister of the Eastminister Presbyterian Church of Lexington Kentucky, to preach at the Sunday Morning Service on July 19, 1959. 75 Years Ago July 12, 1934 Baptist churches from six counties will send approximately 100 boys to Camp Black Hawk next week for the Royal Ambassador Camp. This is the second camp which have the Rev. J. Arthur Depew, former Minister
