The Lady Jackets are scheduled to venture to Paris for several scrimmages.

The Nicholas County girls are slated to face Bracken County in another scrimmage July 21. Additional scrimmages could also be added to the schedule.

"We have many girls coming back to play and hopefully we will get more girls coming up from the middle school - eighth graders - to play freshman basketball this year. We should have a very strong team mentally and physically."

Members of the Nicholas County High School girls' basketball program have settled in and are performing well while exciting Cornett's style of play.

Jackets fall to Scott in region semis

TAYLOR MILLS - The Nicholas County Jackets fell to host Scott on Friday in the 10th Region Baseball Tournament semifinals. Scott secured an early advantage and defeated Nicholas County 9-2, prevailing following more than one delay.

Nicholas County suffered the season-ending loss after defeating Mason County 10-7 in the opening round of the 10th Region Tournament one night earlier.

Following a win over Mason County, Nicholas County faced Scott one night later. After a rain delay, the game was eventually called around 11:30 p.m. The Jackets made it home around 1:30 a.m. Friday morning. Nicholas County players and coaches had to be back on the field at 6 p.m. later that same day following a lengthy trip, a two-hour trek, back to Scott to play its remainder of the game.

Scott owned a 6-0 lead when the game was halted Thursday night.

"I really give our kids credit for fighting through all the rain delays and all the travel," said Sims.
