Fleming-Mason Energy CEO Chris Perry addresses a large crowd during FME's annual meeting last week.

hit to reduce the carbon emissions required by the Waxman-Markey Bill.

But the bill isn't a "Done Deal," yet and Perry remains optimistic and encourages...

But what Perry does know, what all FME customers know, is that continued increase in electrical costs...

The problem, according to Perry, isn't a "tit or that" choice.
