

LETTERS

Editor: A study by the American Energy Alliance estimates that, over a thirty-year period, businesses could create 12 million new jobs, generate \$2.2 trillion in tax receipts and add \$8 trillion to our economy by permanently lifting the ban on hydraulic fracturing...

Utilizing our resources, instead of enriching foreign countries, makes more sense to me. It can be done in an environmentally safe manner and it will result in a better economy, safer world and more efficient society.

To the Editor: The Nicholas County Animal Welfare Society would like to respond to a letter submitted last week by Kay Pava...

ducing the county's euthanasia rate by more than 80% in just five months. In 2004, the Kentucky legislature passed sweeping reforms aimed at improving animal welfare...

Along with improving shelter conditions, we plan to offer vaccination and spay-neuter clinics, and partner with other shelters and rescue groups...

NCAWS has identified these areas and is committed to working with county officials to move the county towards compliance in 2009.

During 2008 the Johnson Matthers Health Care Auxiliary sponsored many fund raisers.
