pearance of Nicole. But Penix was quick to praise the efforts of investigators and searchers who continue to brave harsh wintry conditions in an attempt to locate his daughter.

"I appreciate all the prayers everyone has said for Nicole," Penix said. "I know a lot of people have prayed for Nicole that we don't even know. The searchers, the folks with fire and rescue, and other people who have helped look for Nicole, I want them to know how deeply we appreciate their help. I can never thank them enough for everything they have done and continue to do. It's hard to describe what it's like to go through something like this—I wouldn't wish

this on anyone." Van Zant is 5'7" tall and weighs 125 pounds. She has brown hair and blue eyes and was last seen wearing a white sweater, leather jacket and blue jeans.

If you have any information on Van Zant, please contact the Kentucky State Police at 1-800-222-5555 or the Menifee County Sheriff's Department at 768-9046. The family has offered a \$4,000 reward for information leading to locating Van Zant.

Penix was asked if he could get a message to Nicole what would the message be. "I love you, your mother loves you and your son loves you," Penix said. "If someone is holding Nicole, please... Please... Please let her go."
