Thomas Holder sits with attorney Jennifer Wittmeyer during his preliminary hearing in Nicholas District Court last month. Holder had charges of convicted felon in possession of a firearm, possession of a controlled substance and possession of drug paraphernalia charges bound over to a future Nicholas County Grand Jury on a ruling by District Judge Honorable Jay Delaney. Nicholas County Deputy Sheriff Bennie Buckler testified during the hearing. Buckler's alertness Feb 10 at the Deposit Bank Westside Branch that morning may have thwarted a pending bank robbery attempt by Holder who had made more than one trip to the bank that morning and had been practicing shooting the shotgun a few days prior to his arrest, according to Buckler's testimony.

Courthouse Square Arts Guild "Painting with Juanita" Huge Success

Most people know our very own Art Guild Member and native of Carlisle, Juanita Hunt, from her large display at various festivals and craft shows for her hand-painted turkeys on real turkey feathers supplied by local hunters and, just about anything else you can paint on.

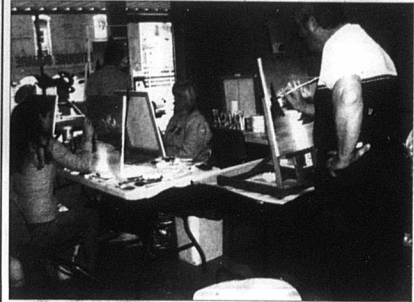

She currently has held three (3) Bob Ross classes at the Guild, and they have been a huge success.

Her student's response at the end of class is, "WOW, I can't believe I did this and when is your next class". It has been classified as fun as well as leaving them with a sense of pride and a big smile on their face.

Juanita, a certified Bob Ross Instructor, has been longing to teach painting because she believes everyone needs an escape from their everyday "stuff" and she also believes everybody has artistic talent, just waiting to be released, recognized and appreciated.

The classes have been made possible by the generosity of Dr. Janet Tameran who has given the use of the building to the Art Guild for this very purpose. She wants various classes to be held and a place where the local artists can proudly display their talents, whether it is painting, sculpting, wood carving, card making, knitting, and the list goes on.

You may go the Art Guild website at www.csag.org to find out more information about upcoming events or becoming a member. Juanita will be holding another "Painting with Juanita" featuring a waterfall on Saturday, March 14th at 9 am and Thursday, March 26th at 10 am at the Courthouse Square Art Guild building. She provides the canvas and all the painting supplies. She just asks that you provide your own Viva paper towels. You may reach her at 859-289-8773 or cell 859-473-1946 to sign up for the next exciting Bob Ross class.
