Safe Sitter Classes WEDCO NATURAL HEALTH DEPARTMENT The Wedco District Health Department is offering a Safe Sitter class on May 8th, from 9:00am - 3:00pm at the Nicholas County Health Department in the Sparks Community Room. The Safe Sitter Program is a medically accurate program that teaches young adolescents how to handle emergencies when caring for younger children. During the course, students get hands-on practice in basic life-saving techniques so they are prepared to act in a crisis. Safe Sitters also receive helpful tips to make them more confident caregivers. They learn safety precautions and how to understand and deal with children of different ages. They even learn about the business aspect of babysitting. To successfully complete the Safe Sitter program, students must pass a practical and written test to show they have mastered the key concepts and have the skills necessary to handle an emergency. To register, contact Carol Carson at the Wedco District Health Department 859-588-5811 to register your child. Please bring lunch as it is a full day of learning and lunch is not provided. 302 Oddville Avenue, Cynthiana, Kentucky Mail to: P.O.
