IN TIMES LIKE THESE, EVERY DOLLAR COUNTS

Fathers are often known for their good advice, whether it's how to catch a ball, ace a job interview, grill the perfect burger or get the best deal on a new car.

But if your father is struggling with the high cost of prescription drugs, maybe he must be receiving Medi- care and also have:

• Income limited to \$16,245 for an individual or \$21,855 for a married couple living together. Even if his annual income is higher, he still may be able to help your dad save an average of \$3,900 a year on his prescription drugs cost. Here's how:

For extra help available through Social Security to pay part of his monthly premiums, annual deductibles and prescription co-payments. The extra help is worth an average of \$3,900 per year.

To figure out whether your father is eligible, Social Security needs to know his income and the value of his savings, investments and real estate (other than the home he lives in).

To qualify for the extra help, he must be receiving Medi- care and also have:

• Income limited to \$16,245 for an individual or \$21,855 for a married couple living together. Even if his annual income is higher, he still may be able to help your dad save an average of \$3,900 a year on his prescription drugs cost. Here's how:

If your father, or any fa- ther you know, is covered by Medicare and prescription co-payments. Some ex- amples where income

may be higher include if he or his wife:

• Support other fam- ily members who live with them;

• Have earnings from work or

• Live in Alaska or Hawaii; and

• Resources limited to \$12,510 for an individual or \$25,010 for a married couple living together. 633-4227, 1-877- Resources include such things as bank accounts, stocks and bonds. We do not count his house or car as resources.

Social Security has an easy-to-use online applica- tion that you can help him complete. You can find it at www.socialsecurity.gov/prescriptionhelp. In fact, you can help him apply by phone or have an application mailed to you, call Social Security at 1-800-772-1213 (TTY 1-800-325-0778) and ask for dollar counts.

Celebration of Life Deemed a Success!

The Nicholas County Cancer Coalition held the 12th annual Celebration of Life at the Carlisle Methodist Church on Saturday, May 16th. This program began in 1997 with only a handful of people from the county and has continued to grow each year. This program is held annually to celebrate the lives of our people in the county that have had cancer and survived its devastation.

Over the years there have been many well known celebrities come to the community to present motivational speeches. This year Dia Davidson-Smith from WLEX channel 18 was the key note speaker. She presented a very moving speech about how to protect yourself with early screenings.
