that Carlisle has not had a Veterans Day Parade.

Last year, there was also an excellent display at the Neal Welcome Center that drew good numbers of visitors.

This year's commemoration of Veterans Day was centered at the Nicholas County Schools, Nicholas County Schools, with programs held at the high school, as well as the elementary and middle school. The events were displayed prominently along Main Street and throughout town.

At an earlier date, soldiers of Battery R, 2/138 Field Artillery Battalion also honored service of Nicholas Countians by rendering a 21-gun salute and placing a flag on the headstones of our fallen veterans.

Nicholas County has a proud history of military service as is evidenced by the memorials, both at the Carlisle Cemetery, as well as in front of the courthouse.

Remember, we don't have to wait until next Veterans Day to say "Thanks" to Nicholas County veterans.
