

LIFESTYLE State parks prepare for Halloween

FRANKFORT, Ky. — Kids from Kentucky State Parks are getting into the pumpkin and ghostly decorations to prepare for one of the most popular times at parks — Halloween.

Many of the park's campsites will also have special activities for campers, including decorations, costumes and games.

Parents of young children should check in advance — some parks have age recommendations for their events.

Don't forget that most parks have lodge rooms and cottages available as well as excellent restaurants with your favorite meals.

For more information about state park events or to make lodging or camping reservations, visit www.parks.ky.gov.

"SCARECROWS IN THE PARK"

This year's marching band program is the story of a young girl (Stamper Lachae), learning from her tutor (Jesse Adams) what it takes to reach perfection. The band members have all worked extremely hard to show "Perfect Form" as they presented the halftime show during the football game against Lexington Christian Academy.

This year's parade is a perfect time to head out to Blue Licks State Resort Park to enjoy the fall festivities. Various organizations have displayed their scarecrow creations. Each week, we will publish additional pictures of the scarecrows, but encourage you to see them in person.
