STUDENT SPOTLIGHT

Angelica Marquez is thoughtful, intelligent, and artistic. She is a member of the band program since she was in 5th grade. She is currently the lead trumpet player for marching band and concert band as a Freshman. Jacob goes above and beyond when it comes to being a member of the band and a member of this school. He is actively involved not only as a musician but also as a leader of the group. Jacob not only shows excellence in band, he also holds his other academic courses in high regard as well. Jacob is the consummate student, in my humble opinion. I'm sure that Jacob will only excel as he continues with his high school career. I'm expecting only the best from him and I'm proud to have nominated him for this honor.
