When Tomorrow Starts Without Me l wish so much you wouldn't cry the way you did today. While thinking of the many things we didn't get to say.

I know how much you love many trings we dan't get to say I know how much you love m, as much as love you, and roch time that you think of me. I know you'll miss me to but when tomorrow starts without me, please yet to understat that an anget came and called my name, and took me by the h and told my place was ready, in how on you have and that it have to leave behind all thoise idearly love.

But as I turned to walk away, a tear fell from my eye, for all my life, I'd always thought, I didn't want to die. I had so much to live for, so much yet to do, It seemed almost impassible, that I was leaving you. thought of all the yesterdays, the good ones and the bad, thought of all the love we shared, and all the fun we had.
