## Three charged after video surfaces

By Charles Mattox  
 KYNewsGroup  
 charles@kynewsgroup.com

Three Carlisle residents have been charged with criminal abuse, 1st degree, after a video was viewed by law enforcement officials that they say incriminates the trio, and leads officials to believe the trio could have prevented the man's death had they chosen to do so.

Jennifer Rathbone, 33, Jason Rathbone, 30, and Tashana G. Frye, 29, all of Carlisle were charged with one count each of criminal abuse, 1st degree, last week after Carlisle Police Officer Mark Snedegar filed a warrant for their arrest in connection with the Nov. 3 death of Kevin Watkins, 23, also of Carlisle.

Multiple law enforcement sources say Watkins and Jennifer Rathbone were engaged to be married and living together, when on Nov. 3 police say Watkins was "in a physical and mentally helpless state, as he was obviously unconscious."

Police say they believe Watkins was under the influence of some type of in-

toxicants and though that didn't slow the charged trio from "laughing", "taunting" and "jeering", at him as he was videotaped, it may have played a role in their decision to not contact any emergency personnel to assist Watkins, which may have prevented his death.

"Defendants (Rathbone, Rathbone and Frye) had a discussion about emergency medical assistance for victim (Watkins) as they were aware that he had unlawfully ingested controlled substances, but decided against same as to do so would likely result in criminal charges against them," an arrest warrant drafted by Nicholas County Attorney Dawn Letcher, states. "Thus the defendant was left to die; he was found hours after, deceased, in the same location and position as when he was last recorded by video."

Officer Snedegar and Letcher viewed the incriminating video.

"It was very, very disturbing," Letcher said. "Mr. Watkins was physically helpless."

Neither Letcher not Sne-

Jennifer Rathbone

Jason Rathbone

degar commented on the specifics of what the video depicted but additional language in the arrest warrant speaks loudly; saying the defendant's "made inappropriate contact" and "exhibited crude gestures" toward Watkins.

Watkins is survived by two small children.

The official cause of Mr. Watkins death remains unknown as the Mercury prepares to go to print.

"I have not received the autopsy report back from Frankfort, regarding Mr. Watkins' death," Nicholas County Coroner Nichol Hatchett said Monday afternoon. Hatchett did not comment otherwise on the

case but did express disappointment about rumors surrounding the death of Watkins that have surfaced in the community.

"Without the autopsy results in there is no way of knowing his exact cause of death," Hatchett said.

The two Rathbones were lodged in the Bourbon County Regional Jail where they remain, pending the posting of \$7,500 cash bond. Fry has not been detained due to medical reasons and poses no flight risk, according to officials.

All persons are to be considered innocent until proven guilty.

## Court rejects several bids

Members of the Nicholas County Fiscal Court held a lengthy meeting Dec. 13, during which time they approved the County Clerk's deputy's salaries.

Those salaries are \$90,000 for the 2012 fiscal year, down on the average of \$10,000 from the 2011 fiscal year. A motion was made by Magistrate Steve Hamilton to approve the salaries and the motion was seconded by Mike Webb and unanimously approved by court members.

Court members rejected a bid of \$43,900 to replace the roof on the Armory. The bid was submitted by Tri State Roofing. A bid regarding the Nicholas County fire house roof repair was also unanimously rejected following a motion by magistrate Jeff Randolph, which was seconded by Magistrate Jimmy Wells.

A barn removal bid of \$3,250 was also rejected following a motion by magistrate Darvin Mitchell, which was seconded by Magistrate Webb.

Court members will revisit the two bid items at a later date.

Randolph, a driving force behind the Parks and Recreation Committee gave a report stating that two new wirelessly controlled scoreboards will be installed with the city and county splitting the cost for the benefit of the community.

Mark Wade and Arnold Payne submitted bids for the East End concession stand, West End concession stand and work on the new animal shelter. The bids were unanimously approved.

Nicholas County ambulance member Rob Biddle addressed the court about purchasing remounts for the ambulances. Mr. Biddle asked the court to help with a Stryker Lift cot, that cost \$12,500 with a five year life expectancy. It is a 700 pound weight capacity that is operated by a button to help with lifting. Mr. Biddle suggested that he would like to see about waiting on the truck and remounting to try and get a grant with that and ask the court to purchase the lift chair.

Steve Hamilton stated that he wished that they had more time to decide on this, but there was a time limit on the cot that had to be placed by the end of the month.

Magistrate Randolph stated that the county should

need utilize the money before they lost it. He also stated that we could save money by purchasing the demo.

Mr. Biddle had the chair out in the hallway of the court to show the court the demo cot, if they would like to see it.

A motion To Purchase a Styker EMS Ambulance cot for the amount not to exceed \$12,500 and the EMS Ambulance Stair Chair for the amount to not exceed \$2,450 said sums to be paid from grant money, Senate bill 66, was made by magistrate Randolph, seconded by Magistrate Wells, and unanimously passed.

Health Insurance increased by 20% due to the usage of the insurance, so the court wanted to discuss the Voluntary products of supplement insurance. The Employee could get the supplement for \$2.59 and can add the spouse or family to the plan. If the employee goes to get a wellness preventive check up, Humana will give each employee a \$150.00. If the two products were offered to the employees the court would save \$6,100 a year. If the court funded the two products for the employees a rough estimate would be \$7,000 to get this for each of the employees. It is a nice buffer for the employees for the out of pocket expenses. The Coverage of the health plan went from \$297 in 2011 to \$355 for the 2012. If the court decided to take the other plans it would be \$337. It averages out to be about \$60 - \$61 a month per person, with about 21 employees on the plan. A motion was made to table the Health Plan.

Court members discussed the issue County Burial, the question was whether the county would continue to help with burial if a family cannot pay for the funeral expenses. A motion was made by Jeff Randolph to discontinue the county burial services, the motion died for the lack of a second. A motion was made by Magistrate Wells, seconded by magistrate Hamilton to limit the service for County Burial for the indigent for \$400 for burial. The motion passed with magistrate Randolph being the only magistrate to vote against the motion.

Magistrates unanimously voted in favor of Nicholas County Judge-Executive Kenny Lyons to serve on the Hospital Board.

## Barnett to appear in court

By Charles Mattox  
 KYNewsGroup  
 charles@kynewsgroup.com

Alleged murderer Gary Barnett is scheduled to appear in Robertson District Court this Thursday, Dec. 22.

Barnett, 64, is accused of murdering Kenton resident Angie Spencer, 71, of 6367 Kenton Road, Mt. Olivet, in the early morning hours of Dec. 10.

Barnett will appear before Robertson County District Judge, Honorable

Charles Kuster, for the purpose of a preliminary hearing.

Robertson County Attorney Jesse Melcher said he expects to question Kentucky State Police Detective Chris Jaskoviak about details involving the charge.

Det. Jaskoviak continues to lead the investigation into the tragic incident, which police say occurred when Barnett, distraught over a break-up with his girlfriend of several years, who is Spencer's sister, went to Spencer's home looking for

her. Barnett allegedly fired several rounds from a high caliber pistol into the Spencer home with one round striking Spencer in the chest, according to police.

Mt. Olivet Chief of Police Jamie Stamper was the first officer to arrive on the scene and Dustin Mitchell, a member of Nicholas EMS, also arrived quickly, but all attempts to revive Spencer failed.

Public Defender Matthew Perdue is scheduled to represent Barnett for the preliminary hearing.

Barnett remains lodged in the Bourbon County Regional Jail on \$150,000 cash bond.

Judge Kuster will hear the evidence presented during the preliminary hearing and then make his ruling regarding the charge of murder.

That charge, or lesser charges, may be bound over to a future Robertson County Grand Jury for consideration.

All persons are considered innocent until proven guilty.

## There are no festivities in jail

As you celebrate the holiday season enjoying traditions, food, family and fun, be reminded that state and local law enforcement offi-

cers will be out in force this holiday season to arrest anyone caught driving drunk behind the wheel.

"The message is simple:

Drive Sober or Get Pulled Over," said Kentucky Office of Highway Safety (KOHS) Director Bill Bell. "As easy as that sounds, unfortunately many drivers still choose to jeopardize their safety and the safety of others on our roads by getting behind the wheel after consuming alcohol."

Ten people were killed on Kentucky roadways last year during the Christmas and New Year's holiday. Three of the deaths involved alcohol.

"This holiday season, the KOHS is honored to have a family from Kentucky help spread the message about the dangers of drinking and driving," said Bell.

Stephen and Karen Sikra and their three children, of Erlanger, are featured in two public service announcements airing statewide during the holiday enforcement campaign sponsored by the KOHS and the National Highway Traffic Safety Administration (NHTSA). The family members suffer from physical and mental trauma because of injuries sustained in a crash involving a drunken driver.

"I never thought we'd be a statistic," said Karen Sikra. "But we are using our experience as an opportunity to help save lives by en-

couraging people to enjoy the holidays, but warning them to celebrate responsibly."

According to the NHTSA, one of every three Americans will be impacted by a drunken driving crash in their lifetime.

The KOHS recommends these simple tips for a safe holiday season:

- Plan a safe way home before the festivities begin;
  - Before drinking, designate a sober driver and leave your car keys at home;
  - If you're impaired, use a taxi, call a sober friend or family member, or use public transportation;
  - Use your community's sober ride program;
  - If you happen to see a drunken driver on the road, don't hesitate to contact your local law enforcement;
  - And remember, Drive Sober or Get Pulled Over. If you know someone who is about to drive while impaired, take that person's keys and help him or her make other arrangements to get home safely.

### NEARING CHRISTMAS

*"We should in all times of trouble, trial or difficulty, put our trust in the Lord, who alone is able to save all that put their trust in him."*

Spencer Records, a militia officer of northeastern Kentucky, Draper Manuscripts Volume 23 CC

*"In 1786 I was carrying chain for George Lewis.*

*Arthur Fox slipped and fell into the creek when Simon Kenton standing nearby laughed and said the creek should be called Fox Creek and I've known it by that name ever since."*

John Curtis Draper Manuscripts Volume 20 S page 240.

Late December, 1789, near Arthur Fox's Creek, located in present-day, east-central Fleming County.

He sat the pack down gently, and listened.

The valley that stretched before him, known affectionately among the frontier spies as Arthur Fox's Valley, or simply, Fox Valley, was a beautiful stretch of ground that clung to Fox Creek and its tributaries.

He had been hunting with his family members here in the past, but he was making a sojourn this time.

He needed to be alone, think to himself, formulate a plan and get on about the business of survival, for himself his loved ones and his neighbors.

He was going to have to find a way to control his brother Laban. As a newly appointed captain of the militia by order of the Governor of Virginia, he recognized Laban as one of the best scouts along the frontier, but he was reckless.

Spencer was one of a dozen children of Josiah and Susan Tully Records. And he had first come to central Kentucky on a land scouting expedition with cousins in 1783. He had staid for over almost a year and returned home, coming back to Kentucky, arriving in Limestone (Maysville) on March 20, 1785 with the members of his parents' family.

They had settled in the community of Washington, being the second house built there from land they purchased from William Wood and their friend Arthur Fox.

They acquired land northwest of Washington, and formed close alliances with several families that formed John Machir's Station. He traveled south frequently, ranging often from the Lower Blue Licks, to George Stockton's Station (Flemingsburg) and frequently went farther southeast toward the knobs and farther into the mountains of what would one day become Bath and Menifee County.

He had done much to protect his immediate and extended family, but the Native Americans and Kentuckians could not overcome their need for vengeance and rise above the personal feuds that consumed entire families in Kentucky and clans in many of the Native American tribes.

scraped from the ground after they found what the Shawnee had left of Isaac Sellers.

They buried him near where his remains were found.

As a youth, growing up in western Pennsylvania, he was no stranger to the atrocities of war. As a young man he had discovered several of his neighbors massacred during times of trouble.

But this time the violence had directly touched his family.

Laban had always been a wild one and hard to control but he loved his wife with a

passion Spencer had never seen and thus he knew Laban would make his enemies pay dearly for this.. That would be impossible now.

He thought of strategies to use to help his brother control himself but nothing came to mind as he beheld a small group of buffalo grazing along one of the prongs of that vast valley system.

He also was thinking of his future wife, Elizabeth Elrod. They were to be married in the spring.

He wanted to make Ken-

# Bread of Life

Isaiah 7:14, 15 Therefore the Lord Himself shall give you a sign; Behold a virgin shall conceive and bear a son and shall call His name Immanuel. Butter and honey shall he eat, that he may know to refuse the evil, and choose the good.

Isaiah 9: 6, 7 For unto us a child is born, unto us a son is given, and the government shall be upon His shoulder, and his name shall be called WONDERFUL, COUNSELLOR, THE MIGHTY GOD, THE EVERLASTING FATHER, THE PRINCE OF PEACE of the increase of his government and peace, there shall be no end, upon the Throne of David and upon his Kingdom, to order it, and to establish it with judgment and with Justice from henceforth even forever. The zeal of the Lord of Hosts will perform this. The little town of Bethlehem lay silent and still beneath the stars that night so long ago. In the stable near the edge of town, a young mother bent over a tiny baby, the greatest gift that the world had ever known. And the little town lay sleeping! A host of angels descended from Heaven and shouted, Glory to God in the Highest! And the little town lay sleeping! The shepherds on the hill had heard the angel voices and had hastened to the stable to worship the newborn Savior. And the little town lay sleeping! How silently the wondrous gift was given. As God imparts to Human Hearts the blessing of His Heaven. And the little town slept on. Each and

every heart could be a manger to cradle the King. But, like the little town so long ago, some sleep, while God imparts to other human hearts the wonders of His Heaven. God is waiting on you to awaken and make your heart a throne for the King of Kings. The Glory of that night so long ago still remains when we surrender, submit and yield our hearts to Him. For unto us a child is born, unto us a son is given; And His name shall be called WONDERFUL, COUNSELLOR, THE MIGHTY GOD, THE EVERLASTING FATHER, THE PRINCE OF PEACE! May this Christmas find room in each heart for that peace which can only be

obtained through contact with the Prince of Peace! May the door of each heart be opened to receive the greatest gift this Christmas! For the light of the world is Jesus! John Ch 8 verse 12 Then spake Jesus again unto them, saying, I am the light of the world, He that followeth me shall not walk in the darkness, But shall have the Light of Life.

Please make this Christmas and 2012 the best of your life by making Jesus the Lord of Your Life. He loves you.

tucky his home, a place to raise a family.

He knew there were no guarantees in this good life and thus had made this trip partly to scout, partly to be alone and partly to return with a large supply of buffalo and venison.

Buffalo had grown scarce to the north, but could still be found coming down from the mountains into fox Valley.

After taking his first buffalo he gutted it and quartered it but left the hide intact, throwing it and some small pieces of the attached carcass lengthwise across one of his pack horses. He would find many uses for the hide when he returned to his home.

It was nearing Christmas and the closer he drew to home the better he felt.

He hoped he would be alive next Christmas and for many more to come.

As he led his loaded horses into Machir's Station his family and Elizabeth came to greet him and Laban helped him unload the meat, though he had little to say, his hair unkempt, his clothes in shambles, still in complete mourning from losing his father-in-law.

He understood and would be patient.

They went inside the cramped but warm confines

of his father's cabin and sat down to eat a meal together.

\*Spencer Records and his wife Elizabeth Elrod were married on April 15, 1790. They would thirteen living children and eighty seven grand children by the time that Spencer reached 88 years of age. His story, like all of our Kentucky ancestors is one of complete fascination for me. The details of Spencer Records, as he wrote them in later life, can be found in volume 23 CC of the Draper Manuscripts.

Spencer wrote much of his brother Laban, who would find his vengeance, but these are other tales to be told, and so if the good Lord is willing, we will join Captain Spencer Records and his family members again within the confines of this column.

## Letter to the Editor

Editor,  
Sometimes we can rob ourselves of so many blessings just by putting things off that we need to do, simply because we are nervous of the unknown. For many years my husband and I had been asked by a friend to come join them at the Nicholas County Senior Citizen Center. Due to health problems and having many doctor appointments we never found the time to go as we had been asked.

If you are a senior and find yourself sitting at home feeling as if no one cares I just want to invite you to come be with us at the Nicholas County Senior Citizen Center. Meetings are held each Monday, Wednesday and Friday if you would like more information you can call the center at 859-289-3729.

Sincerely,  
Frances Herrington

In 2009 my husband passed away. I still was very reluctant in going to the center, trying something new did not seem like something that I wanted to do at the time. Once again I was asked to come join them at the center by a friend. I told her that I would come sometime. One morning it seemed that God said to me that today was the day that I needed to trust in Him and go. That morning I attended my first meeting at the Nicholas County Senior Citizen Center. Needless to say I have loved it ever since.

Everyone at the center has different things going on in their lives. By going to the Center you do not have to face those things alone. You have time to share with one another the things that you are facing. There are many caring people there that are always willing to listen and to pray with you concerning what is going on in your life. Many activities take place at the Center such as crafts, bingo, singing, exercise, special speakers, field trips and meals. Just this week we were blessed by the children from the New Beginnings Christian Academy as they sang many Christmas selections for our pleasure. What a blessing. Their parents should be very proud. In the past few months that I have been attending the meetings at the Center I have been blessed over and over again. Not only am I so glad that I finally gave in and listened to the Lord as He guided me there I am very thankful for good friends that didn't give up and kept inviting me.

## THOUGHTS FROM THE PASTOR'S STUDY

Submitted by  
**Carey McGuire**  
First Christian  
Church  
(Disciples of Christ)

"The Favored One"

This is the last week of Advent. As we transition into Christmas I think it appropriate that the focus of the lectionary text is Mary, mother of Jesus. As I look back at memories of Christmas' past it seems that my mother is the one that directed all activities surrounding the holidays. And as I watch activities going on in the community I see women at the forefront of every event, doing the toy buying, the cooking, making sure everyone else has a merry time. And I can't help but be reminded of Mary, and that women as is Mary, are favored by God. It is no small thing to be regarded, to be favored, especially when one is doing all the work, but doing it happily, doing it to serve family and friends. The way that mothers, and women, serve us is the way God expects us to serve him, the church, and each other.

ders the impossible possibility of the situation. Why? Who am I? Why am I favored? How can

God be with me? She knows who she is, she's a teenager, from the wrong side of the tracks. The angel Gabriel tells her the good news that she is to be pregnant with a son, but not just any son, the son of the most high, no less. A son of the lineage of David that will never end. What? How can that be? This is where we, as did Mary, resolve the tension between "How can this be" to "Let it be with me according to your word". The response of a favored servant, the response of a mother, the response of women, "Let it be with me according to what is the need." During our modern celebrations of Christmas, if we stop now to regard the divine favor placed upon Mary and all women, it will move us from the absence of God, to the presence of God, to the fulfillment of God's promises. We need to all be prepared to answer the call of God "Here I am", But do we go as far as to react to an impossible possibility put before our lives with "Let it be with me according to your word", or "how can this be, I can't do this."

However Mary has seen the impossible become possible. Remember that she visited an elderly relative, Elizabeth, that yet elderly and barren, was pregnant with

a child we know as John the Baptist, through God's will. The impossible is possible through God. In the old testament we see women from Sarah to Rachel that were unable to bear children that God granted a pregnancy to not only answer their prayer, but to fulfill his will and do his work. And later in the Gospels we are taught by Jesus that while "It will be easier for a camel to pass through the eye of a needle than a rich man to enter the kingdom of God", he follows that with, "Nothing is impossible with God". This is what we learn from the lesson of Mary.

In three short verse Mary is transformed from peasant girl to prophet, from Mary to Mother of God, from denial to discipleship. In a very real way this is the appropriate transition from advent to Christmas. Mary's story moves us all from who we think we are to who God has called us to be. From observant believer to confessing apostle. Yet remarkably, impossibly, Mary's story moves us to acknowledge the transformation of God. The manifestation of God as man through Jesus.

It is no small transition from our comfortable perception of God to God in the manger, vulnerable, helpless, totally dependent, yet this is the promise of Christmas. Who better than a mother, a women, a favored one to handle this situation.

## MERCURY TRIANGLE HEADQUARTERS~SALTWELL~BARTERVILLE

The Saltwell United Methodist Women had their December meeting on Saturday afternoon at the church with 14 in attendance. Joyce Smith called the meeting to order. Our purpose was recited. Prayer requests were given and Phyllis Brady gave the prayer. The good devotional story was given by Phyllis Gaunce. The program was given by Esther Weidle and Nyiri Weidle. It was entitled "A Sweet Christmas". It told a lot about the Birth of Christ naming many kinds of candy such as Joy, Dove, Starburst, Shepherd's Cane, to name a few. Much scripture was used then later each lady received a bag of these candies.

Phyllis Brady and Brenda Nolen enjoyed the drama, "A Christmas Story" on Sunday afternoon at the Kinkaid Theater in Falmouth. LeeAnn Fryman Hall, Phyllis' niece, was the Stage Manager and has been in many plays. It was shown 10 times.

ing on Wednesday night at the church with our District Superintendent, Rev. Pillow. The Barterville Church joined us for their meeting also. Refreshments were served.

Sandy and Paul Hamilton took Bro. and Mrs. Rick Souder and daughters to lunch on Sunday at Blue Licks State Park.

The Barterville United Methodist Church had their Christmas supper on Saturday night and also had songs and games.

Sandy and Paul Hamilton enjoyed a Christmas program on Sunday night at the Oddville Christian Church in Harrison County. The pastor is Bro. Wayne Tolson.

The Headquarters United Methodist Church had the children's program on Sunday morning followed by a visit from Santa giving each child a treat, Bro. Rick and Oneida Souder gave each person a small gift.

Lisa Reynolds, Bobbi and Sam Reynolds and Phyllis Brady enjoyed the Blue Licks Christian Church's Christmas play on Friday night. It was written by Debby Ecton. The Cantada part of it was also very good with Patty Ockerman, director.

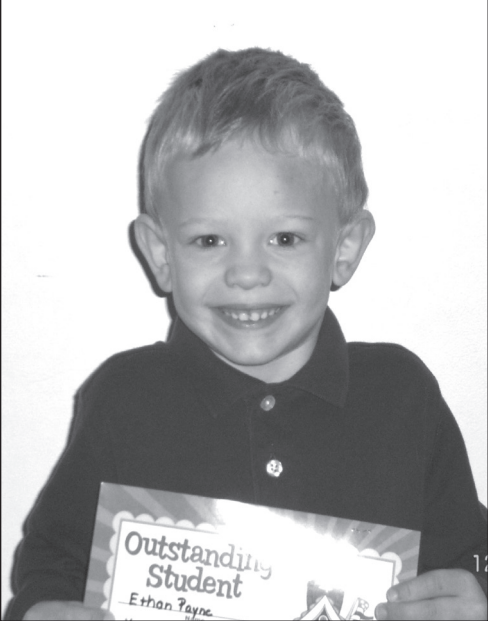

Phyllis Brady was among a very large crowd on Saturday night at Rohn Theater, Cynthia, for "Christmas on Pike". It was many talented singers (mostly local) singing Christmas songs and also had a story teller. Doctor Stephen Besson and daughter Abby were in it and also his church quartet.

The Headquarters United Methodist Church had their yearly conference meet-

## We Wish You a Merry Christmas!

Hi Santa! It's your boy Kamden Smith. My Mommy and Daddy say I have been a good boy this year. This is really hard to do in my house with two mean older sisters! I think I probably deserve an extra present this year for putting up with them all year! I just love Thomas the Train stuff, so anything with Thomas on it would be great. I also like to play with my Daddy's tools, so a workbench of my own would be really cool. Please remember my two older sisters, Kayanna and Karley (even if they aren't always nice), my cousins Todd, Courtney & Braxton, and all the other little boys and girls.

Dear Santa,  
My name is Gavin Johnson. I am 14 months old and I have been a very good boy this year. For Christmas I would like a tricycle, toolset, rock n' roll Mickey, a Sponge Bob couch, and a basketball goal for my size. My Mommy and Mimi have been good this year too, please bring them something nice. I will leave cookies and milk under the tree and carrots for the reindeer.

Thanks,  
Gavin Wayne

Hi Santa! It's your favorite fashion diva, Karley Smith! I have tried hard to be good, but you know how things don't always turn out the way we want. My Mom says at least I behave in school, so I am hoping that counts for something! This year I am really hoping for a new pair of boots (with heels of course), a big Barbie house, a pretty dress, and Easy Bake Oven, and anything else you think a fashionable 5 year old would like. Please remember my little Bubby Kamden, my big sister Kayanna (even though she is a meanie sometimes), my cousins Todd, Courtney & Braxton, and all the other little girls and boys that have tried to be good. We will leave treats under the tree so come hungry!

Love, Karley Smith

Dear Santa,  
Hey there ole' buddy! This is your lil' pal Carter Allen Marcum. I have tried so hard to be good, but do you know what a job that is for a 6 year old boy? I can tell you that my halo has been repaired several times this year. Just keep in mind, I am still a work in progress. I live on Dunn Rd. If you would make a stop at my house, I would appreciate it. For Christmas, I have a small list of things that I wish to have, I have wanted cowboy boots forever, and a pair of mud boots, a Hot Wheels truck, some tractors, a helicopter, gooseneck and truck, a play dough kit, some farm kits, and of course a boy my age needs to look sharp for school, so I need some new clothes. I will leave you an Ale-8 and cookies by the tree. Don't worry if my dogs bark at you, they should recognize you, but let the reindeer know, that they like to chase deer around, and show off. There will be some treats for the reindeer too of course. Please dress warm for your long journey, be careful, and be safe. There's a few people that I don't want you to forget, please bring my Mommy something nice, she has had a rough time lately, but things are looking up, my lil' sister Kinsee, she is a hand full, but nice, my cousin Hayden Klay, Nana Jessica, Jason, and my ole' buddy Walter, bring him something nice. My dad could use something special too. I guess you know that I love school, and I have the best teacher a boy could ask for, so bring Ms. Faulkner something special and all my friends in her class something nice too. Don't forget to dress warm and be safe.

Love your pal,  
Carter Allen Marcum

Dear Santa,  
My name is Cayla, I am 9 this year and I have been very good. For Christmas I would like a Baby Alive, a zebra nutcracker, and snow boots. My name is Brianna, everyone calls me Annie, and I am 7 years old. I have been pretty good this year. I would like a monkey nut cracker, a Justin Bieber onstage play set, snow boots, and anything Tinker Bell. My name is Emma and I am 5 this year. I have tried very hard to be good. I would like a Justin Bieber onstage play set, snow boots, a stroller, and a giraffe nutcracker. We will leave cookies and hot chocolate for you and some sweet feed for the reindeer.

Love Always,  
The Cook Girls

Dear Santa,  
This is your little angel, Kinsee Claire Fenney. Can you believe that I am already 3 years old? I have been trying my darndest to be as good as can be expected. You can expect that my halo would be just a little crooked, it's just because I am so active. I live at 535 Dunn Rd., Carlisle, Ky. I realize you have many stops to make, but if you could just stop at my house, I would be delighted. For Christmas, I have a small list of things that I want. I would like to have mud boots, a Toy Story car that I can drive all by myself, pink tractor, helicopter to fly, gooseneck and truck, Zui-Zui pets and accessories, some movies, games for my DS, tractors, a play dough kit, and a girl always needs to dress up, so don't forget some clothes. I will leave you an Ale-8 and cookies by the tree. Don't worry if ole Domingo barks, he won't bite you. There will also be some treats for the reindeer. Be careful on your long journey, and be safe. Don't forget my Mommy, she has had a rough time lately, but things are looking better now, my brother Carter Allen, he is the best big brother a girl could have, my cousin Hayden Klay, my nana Jessica, and my JJ, and my ole' buddy Walter. And I have been doing so good at Head Start, I have made lots of new friends. Please remember to bring all them something special. Bundle up and stay warm.

Love you lil' angel,  
Kinsee Claire Feeney

## Lady Jackets defeat Deming for second straight win

The Nicholas County Lady Jackets registered their second straight win Saturday evening, battling back to beat 38th District foe Deming 59-49.

Nicholas County overcame adversity en route to the win. The adversity came in the form of Nicholas County being minus two starters sidelined with injuries. Nicholas County also battled back to win after trailing throughout the district contest.

"It was a very good win for us considering that we have two of our junior starters on the sidelines with injuries," first-year Nicholas County Coach Erin Walker commented. "We were down by eight at halftime and we challenged the girls to come out in the second half with heart and intensity. They did exactly what we asked them to do. We were able

to almost completely shut down their two best senior players on offense and were able to hit some important shots to take over the game. We didn't let off in the fourth quarter and were able to hit some free throws down the stretch to give us a cushion. We did give up a few baskets defensively there in the end of the fourth quarter as I told them not to foul and I guess they thought that meant don't play defense. We were able to hold on for a ten-point win."

With the win, Nicholas County evened its record to 4-4 overall and 1-1 in the 38th District.

Deming, which faced Nicholas County in a district opener, dropped to 2-4 overall and 0-1 in the district.

Freshman Megan Bretz paced Nicholas County with 18 points. Bretz was 11-of-17 from the free throw line.

Junior Shelby Wade added 16 points and seventh-grader Grace Kiskaden tossed in 14 as three different Nicholas County scorers reach double figures.

Junior Elizabeth Johnson scored five points and turned in an excellent defensive effort for the Lady Jackets.

Eighth-grader Shelby Watkins came off the bench and gave Nicholas County some key minutes, contributing four points in the winning effort.

Another steady performer, senior Robyn Cohorn, chipped in two points for the Lady Jackets.

Deming led at the end of each of the first three quarters before dropping the district game. The Lady Devils outscored Nicholas County 13-8 in the first quarter and entered halftime ahead 31-23.

Nicholas County scored 18 points in each of the final two quarters. The Lady Jackets used an 18-6 run in the final period to post the win.

Deming, which dropped back into the loss column following a 54-35 win over Paris, featured four different scorers. Jessica Mitchell paced Deming with a game-high 19 points.

Kelsey Carmack connected for 13 points and Lacey Mitchell chipped in 11.

Krista Smithers rounded out the Deming scoring, adding six points for the Lady Devils in the setback.

Nicholas County will visit Deming on Jan. 6 for another key 38th District girls' basketball matchup.

## Jackets drop district game to Pendleton County

The Nicholas County Bluejackets played the third and final matchup of a challenging three-game road trip Thursday in Pendleton County against a familiar 38th District opponent. Nicholas County matched up against preseason 38th District favorite Pendleton County in its first game in six days. Host Pendleton County established a double digit lead in the opening quarter and never faltered, outscoring the Jackets in each quarter en route to a convincing 88-48 win.

Nicholas County slipped to 1-6 overall and 0-2 in the district after suffering its third straight loss.

Senior guard Gabe Antrobus paced a balanced Pendleton County attack with 19 points. Antrobus was one of three Nicholas County scorers to reach double figures. Mason Monroe scored 14 points and fellow junior guard Austin Pyles added 13 for the Wildcats, who entered the season picked to finish second in the 10th Region behind Montgomery County.

Pendleton County didn't waste much time moving out in front. The Wildcats outscored Nicholas County 20-7 in the opening quarter. Pendleton County, in pursuit of the district win, led 45-20 at intermission.

Experienced Pendleton County put the game completely out of the Jackets' reach in the third quarter, outscoring Nicholas County 25-13.

Erik Singleton scored eight points while Jared Rering, Ethan Moore and Garrett Appleman chipped in with six apiece for the Wildcats.

Sophomore guard Dalton Pope led Nicholas County with a game-high 18 points. Pope was the only Nicholas County scorer to reach double figures. Junior guard Austin Allison finished one shot shy of double figures, adding eight points for the

Jackets. Ethan Smith and Landon Sexton scored seven points apiece for Nicholas County in the district setback.

## The Center for Rural Development is accepting applications

The Center for Rural Development is accepting applications from high school students in Southern and Eastern Kentucky interested in developing their leadership and entrepreneurial skills for upcoming 2012 summer sessions of Rogers Scholars and Entrepreneurial Leadership Institute (ELI).

Applications for the next scheduled summer classes of Rogers Scholars and ELI will be accepted through Jan. 31. To download appli-

cation forms for both of The Center's youth leadership programs, visit [www.rogersscholars.com](http://www.rogersscholars.com).

Prospective applicants for 2012 Rogers Scholars program may click on a link in the top far right hand corner of the page, entitled "Rogers Scholars application," for an electronic version of the application form downloaded in Microsoft Word. Application forms for ELI also are located on the Rogers Scholars website by going to Program Updates near the bot-

tom half of the page and clicking on the first link, "2012 ELI Applications Now Available."

Rogers Scholars—The Center's flagship youth program—is an intensive one-week summer program that provides leadership and scholarship opportunities for rising high school juniors. Applicants apply during their sophomore year for a chance to be part of The Center's Rogers Scholars program, and share in what many former program

participants have described as "the experience of a lifetime."

ELI gives rising high school sophomores, juniors and seniors within The Center's 42-county primary service area an in depth look at what it takes to start their own business ventures during a one-week summer program where participants learn from some of the region's top business and entrepreneurial leaders.

"Through Rogers Scholars and ELI, young people are developing the skills they need to seize their potential as the region's next generation of business and entrepreneurial leaders," said Emily Phillips, youth programs coordinator and community liaison for The Center. "Both of these summer youth leadership programs provide essential leadership skills and entrepreneurial training to help our region's youth fulfill their career goals."

The 2012 summer sessions of Rogers Scholars will be held June 24-29 for the first group of participants and again from July 8-13 for the final graduating class. The program emphasizes the development of technological skills and instills in participants a sense of leadership, an entrepreneurial spirit, and commitment to rural Kentucky.

During ELI, scheduled for June 10-15, participants will work in student teams to create a business proposal and pitch their team's proposal on the final day of the week to a panel of regional business leaders acting as potential investors. The winning team members of ELI's Business Concept Competition earn scholarship opportunities within the region.

Both summer youth leadership programs are held on the grounds of The Center, located in Somerset, Ky., and are supervised by The Center's staff and two summer Resident Assistants (RAs).

Rogers Scholars, ELI, and Rogers Explorers—all three of The Center's summer youth leadership programs—are supported solely by tax-deductible donations and other charitable contributions and provided tuition-free to participants.

Applications forms for 2012 summer sessions of Rogers Scholars and ELI must be completed and mailed to The Center for Rural Development, 2292

South U.S. 27, Suite 300, Somerset, KY 42501, on or before the scheduled Jan. 31 deadline.

For more information, or to make a charitable donation to any of these summer youth leadership programs, contact The Center for Rural Development at 606-677-6000. Questions about the application process for Rogers Scholars or ELI may be directed to Emily Phillips at [ephillips@centertech.com](mailto:ephillips@centertech.com).

## A Message from the Judge's Office

As the first year of my term draws near, I would like to look back on what has happened and what hasn't happened. I am disappointed in the fact that we weren't able to get more accomplished in our first year. Some things that I thought was important weren't important to some of the other members of the court. There isn't anything wrong with disagreeing on some things. I told the court when I took office that if we agreed on everything we were not doing our job. I want everyone to bring their opinion to the table and we will discuss

all of the options and try to pick out the one that is best for our county.

We have been able to move forward on some things, such as getting better equipment for our road crew which was much needed. We still need to acquire some more trucks, but we will have to get these as we can afford them.

The tennis court grant was completed and the walking trail has been started. It is scheduled to be completed by June 30th 2012. We will be talking more about this as the time goes on. The animal control

building grant is to be completed by the same date. Magistrates Wells and Mitchell are on the animal control committee.

In the near future we hope to add a minor league football field next to the soccer field and walking trail. There are a lot of volunteers working on this along with making the soccer field bigger. I hope to be able to add another small baseball field along the big field at West End Park. This will take time but bear with us. It is very important to me to have sports and events for the youth in out county. Our

kids deserve good parks. There has been a big improvement thanks to magistrates Randolph, Mitchell, and Hamilton along with the recreation board.

The convenience center is moving forward with better equipment and work on the buildings. There is still more work to be done but we will get there thanks to magistrates Hamilton and Webb who are on the committee and Danny Hawkins, convenience center operator.

There is still a lot to be done and we will continue to work on all of the projects as we get the funding and

the weather permits. I will continue to bring things to the court in the future and I know some will not be popular but I think it is going to help our county and I do not bring it up I am not doing the job. I was elected to do. It will be up to the court to pass or vote against these items. I just encourage them ask the people they represent for their opinion and remember their decisions affect the county as a whole. In closing I would like to remind everyone that you are all welcome to stop by anytime. If you have a complaint please let me

know. If you don't tell me I cannot try to fix it. I wish I could fix all of the problems, but I know better than that but I will promise you that I will do all I can.

It has been an honor to serve you this past year and I pray for a better year in 2012. I hope Santa is good to everyone and remember the true meaning of Christmas.

Merry Christmas and Happy New Year

Board members Present Gary Hollar, Sam Reynolds, Tim Fryman, Wendy Sparks, and Debbie Sweet  
Guests Georgia Livingood (Office Manager) and Kirk Robinson (Operator) and Mike Maggard (SME)

The meeting was called to order by Board Chariman Gary Hollar

The first item on the agenda was approval of the minutes from last months meeting and reviews of monthly reports. Debbie Sweet (board member) made a motion to approve the minutes. Wendy Sparks (board member) seconded the motion, all members present were in favor, motion passed

The meeting was turned over to Mike (SME) at this time. Mike told the Board that he has met with Kenny Lyons (County Judge) about the grants that are in Nicholas Co Water Districts name. Kenny Lyons (county Judge) told Mike (SME) and Gary Hollar (Board Chairman) that he will let them know about his decision in a few days.

Mike (SME) told the board that everything is moving along with our next project. Sam Reynolds (board secretary) asked Mike (SME) what we are doing next. Mike told him that we have a project ready to start in the spring 2012.

Gary Hollar told the Board that we have several customers that have their meters locked for various reasons during the year, this doesn't cost the customer anything. We have a few customers that are asking for this to be done six or seven times a year or more. This cost the Water District money in gas and manpower. The Board decided that any customer can have two free locks in a year and after that the cost is twenty-five dollars per time.

The meeting was adjourned at 7:45.

## Firework safety when celebrating New Years

TNT Fireworks – the nation's largest distributor of consumer fireworks and sparklers – is encouraging Americans to safely enjoy their New Year's celebrations with the following tips:

Take precautions. Always keep a hose and a bucket of water nearby in case of emergencies.

Light one at a time. Never light two or more fireworks or sparklers at the

same time.

Keep it outside. Only use fireworks and sparklers outdoors on flat, hard surfaces in clear areas and away from houses, buildings and dry grass.

Have adult supervision. Never allow young children to light or handle fireworks or sparklers. Be aware of the minimum permitted age in your state. Adults should always be present when lighting or handling fireworks or sparklers.

Stay alert. Never mix alcohol or other substances with fireworks or sparklers.

Stay clear. Never hold a lit firework in your hand. Keep as far from them as possible when lighting.

Let sleeping fireworks lie. Never try to relight fireworks or sparklers that do not ignite. Wait 15 to 20 minutes before approaching them, then soak them with water and throw them away.

Protect your pets. Animals are often frightened by the sounds of fireworks. Protect your "best friends" by keeping them indoors, secure and away from the loud, sudden noises.

Most importantly, check local and state legislation to identify which products are legal and only purchase those permitted by law. Also, always check the label and instructions on fireworks and sparklers to ensure they come from a reliable, legal and licensed source.

# Winterfest held

**By Tammy Biddle**

 tammy@kynewsgroup.com

Last Friday night the Nicholas County Elementary School was the home of Winter Fest. There were many children and adults there to enjoy the games and chili supper for the evening. Thirty games and crafts were set up throughout the gym and the cafeteria. The children played a variety of games from "Musical Candy Canes", "Stick Reindeer Races", "Cake Walks" and more! Youngsters made their own snow globes, participated in face painting, cookie decorating, and so much more! The gymnasium was filled with many smiling faces and laughs echoed through the air. Santa made an appearance taking pictures with the little ones. It was a great night for all!
